295 Flight Attendant Interview Questions with Answers That Work, 2020-01-15

295 FLIGHT ATTENDANT INTERVIEW QUESTIONS WITH ANSWERS THAT WORK is a very unique book which evolved from the first edition which had only 101 questions in 1998. It has always been a companion to another book written by Tom Janovsky called *FLIGHT ATTENDANT CAREER* (ISBN 978-1-7337588-0-2). The fifth edition of that book was published in 2019. Both books helped thousands to the highly coveted job as a flight attendant. Tom Janovsky spent years working for the airlines, and by far, he enjoyed the most working for Delta Air Lines as a flight attendant. He attended many Open Houses for the flight attendant job and saw that while he always got in, there was a huge number of those who have come to one interview after another but were always rejected. Since he had a knack for simplifying concepts, he wrote several manuals for physicians and nurses when working as a registered nurse in Critical Care. He authored his first book on how to succeed at airline interviews. This question and answer book is now in its 5th edition. It owes its success to the system used for preparing flight attendant candidates for the tough interviews. It features all questions Tom collected around the world over the last two decades, and each question is followed by an answer that worked for many people during interviews. Those answers are merely examples so that each candidate can come up with his or her own answer that is uniquely theirs but along the successful line. It is profusely illustrated, mainly with great aviation photos taken by a Czech aviation professional, Mr. Martin Novak.
