Espousing a methodology of KISS (keep it simple, stupid), this text provides accessible guidelines for making sound and logical decisions as an individual or as a group. Shunning overly complex practices, this resource proposes several simple methods in the field of decision making, resulting from close contacts with real-world decision makers. Numerous field cases are used to illustrate the methods, and the accompanying CD-ROM provides readers with a quick start to applying the methods to their own real-world decisions. The CD-ROM's two business applications, ARGUS and AURORA, help users make multiple criteria decisions in countless real-world situations. [Argus Reference Manual](#), 2002.
