Comprehensive Examinations Columbia University. School of Library Service, 1941 Steps to Career Siji Thomas, 2017-06-05 For the longest time parents and children both knew and believed that Medicine Engineering Management and Law were the only true careers which could provide job security and steady paycheques However youngsters today couldn't have been more open to trying out offbeat careers They are bold patient resilient and aware of the fact that a career that is in line with their interests has a higher chance of being satisfying An equal or probably more parents are sceptical about these unconventional careers and would rather have their children go in for tried and tested jobs With Steps to Career the author has attempted to dilute the dilemma of such children and their parents providing them a wealth of information on the available conventional and unconventional career options to help the children decide the right career for them and the process
