My Country Is Literature Chandrabhas Choudhury, 2021-11-30 A book is only one text but it is many books It is a different book for each of its readers My Anna Karenina is not your Anna Karenina your A House for Mr Biswas is not the one on my shelf When we think of a favourite book we recall not only the shape of the story the characters who touched our hearts the rhythm and texture of the sentences We recall our own circumstances when we read it where we bought it and for how much what kind of joy or solace it provided how scenes from the story began to intermingle with scenes from our life how it roused us to anger or indignation or allowed us to make our peace with some great private discord This is the second life of the book its life in our life In his early twenties the novelist Chandrabhas Choudhury found himself in the position of most young people who want to write impractical hard up ill at ease in the world Like most people who love to read his most radiant hours were inside the pages of a book Seeking

to combine his love of writing with his love of reading he became an adept of a trade that is mainly transacted lying down that is he became a book reviewer Pleasure independence aesthetic rapture even a modest livelihood all these were the rewards of being a worker bee of literature ingesting the output of the publishers of the world in great quantities and trying to explain in the pages of newspapers and magazines exactly what makes a book leave a mark on the soul Even as Choudhury's own novels began to be published he continued to write about other writers books his contemporaries at home and abroad the great Indian writers of the past the relationship of the reading life in particular the novel to selfhood and democracy all the ways in which literature sings the truths of the human heart My Country Is Literature brings together the best of his literary criticism a long train of perceptive essays on writers as diverse as VS Naipaul and Orhan Pamuk Gandhi and Nehru Bibhutibhushan Bandyopadhyay and Jhumpa Lahiri The book also contains an introductory essay describing Choudhury's book saturated years as a young writer in Mumbai the joys and sorrows and stratagems of the book reviewer's trade and the ways in which literature is made as much by readers as by writers Delightfully punctuated with 15 portraits of writers by the artist Golak Khandual My Country Is Literature is essential reading for everyone who believes that books are the most beautiful things in life

Language of the Revolution Eugen Wohl, Elena Păcurar, 2023-11-17 This edited book fills a void in the existing research concerning anti communist movements in Central and Eastern Europe outlining the linguistic implications of the cultural social and political metamorphoses brought about by the change of regime The authors included in this volume approach the topic from a variety of perspectives but ultimately focus on language seen as a fundamental tool for simultaneously subjugating and liberating concealing and revealing truth discouraging dissidence and fostering revolt Readers are invited to discover the linguistic implications of the many shapes and forms that the 1989 anti communist revolutions took Equally interesting are the investigations of the revolution aftermath in the first years of transition to democracy Perceived as a whole throughout the Cold War 1947 1991 the so called Eastern Bloc managed to reveal its heterogeneity the singularity of each of its comprising states and the multitude of its internal contrasts most vividly perhaps in the manifold manifestations of the 1989 anti communist fight This book will be of interest to academics and researchers from various fields including history socio linguistics political studies and conflict studies
