centuries Maimonides primary interest was theology He devoted ten years to preparing Mishnah Torah and fifteen years to
The Guide to the Perplexed the first written in Hebrew the second in Arabic These studies of Jewish law were first considered
radical in their efforts to reconcile religious and scientific thought but later became pillars of traditional Jewish faith Dr Lenn
Goodman has prepared new translations from these works arranging the extensive excerpts by topic to focus on Maimonides
principal contributions to philosophy These are accompanied by commentary and analysis clarifying the complexities of his
thought and providing the historical and religious background required by the modern lay reader The introduction details
Rambam s life and evaluates his role in history and theology The study of Maimonides is essential to the understanding of
