Life Full of Reading Syed Ahmad Fathi bin Syed Mohd Khair, 2020-06-05 A quite afternoon a cozy chair a warm cup of coffee and a good book these are the perfect description of moments that should be cherished in this short life Carl Sagan once said that reading is magical that it enables humans from different epoch to talk to each other it is more than that Reading is a gateway to imagination a world without limit a safe space to escape from enduring reality Sometimes it is a space where you socialize without having to meet people This book is a compilation of book reviews written over the years The book was broken into two parts the first part is the long reviews the second part is the short reviews which covered a wide range of genre from economics self help novels comic book to political philosophy and parenting

Quantum-Social Investigations across Transnational Movements Mehmet Akif Kumral, 2025-01-06 This book weaves theoretical empirical threads beyond pragmatic philosophy quantum cosmology and world affairs It offers a quantum social approach to inquire solidarity configurations among transnational movements The first part of the book develops an integrative framework to foreground quantum type features of social fields virtual movements and complex encounters Quantum conceptual keys open new gates for macro theorizing of non locality and comprehending fields around cognate disciplines like psychology and sociology as well as international studies Accordingly emotional indeterminacy is found fundamental for understanding mesoscopic dynamics of virtual mobilizations All along micro layers phenomena of

entanglement mold multiple pathways for transversal solidarities The empirical second part looks at how transnational solidarity springs emerge under quantum like contexts of liberation revolution redemption resistance movements Emotional memories and affective imageries dynamically co mingle across flowing fields and moving habitats of 1968 71 and 2008 11 Affective waves and sentimental circulations shape sanctified secularized constellations of altruisms and sacrifices through which solidarities spin

The Weed Whisperer G. B.
