Creating Social Value Through Social Entrepreneurship Findıklı, Mine Afacan, Acar Erdur, Duygu, 2020-12-04 With today's current problems including forced migrations inadequate education and healthcare systems environmental threats economic crises poverty etc it has become evident that systemic social change is needed Unfortunately creating maintaining and fostering sustainable social value is not easy In this respect social entrepreneurs can act as change agents with their social missions Yet the role of social entrepreneurship in creating sustainable social value is still in an embryonic state Creating Social Value Through Social Entrepreneurship contains expert research that links social entrepreneurship and social value in order to further understand the role of social entrepreneurship in creating social value and to highlight the importance of social entrepreneurs in emerging economies While covering topics that include crowdfunding social enterprise social entrepreneurship ecosystems and the triggers and challenges of social entrepreneurship this book seeks to extend the social entrepreneurship contribution to social impact The book is of value to entrepreneurs managers academicians researchers and students in various fields that include economics management and entrepreneurship **Research**

Anthology on Business Continuity and Navigating Times of Crisis Management Association, Information Resources, 2022-01-07 When the COVID 19 pandemic caused a halt in global society many business leaders found themselves unprepared for the unprecedented change that swept across industry Whether the need to shift to remote work or the inability to safely conduct business during a global pandemic many businesses struggled in the transition to the new normal In the wake of the pandemic these struggles have created opportunities to study how businesses navigate these times of crisis The Research Anthology on Business Continuity and Navigating Times of Crisis discusses the strategies cases and research surrounding business continuity throughout crises such as pandemics This book analyzes business operations and the state of the economy during times of crisis and the leadership involved in recovery Covering topics such as crisis management entrepreneurship and business sustainability this four volume comprehensive major reference work is a valuable resource for managers CEOs business leaders entrepreneurs professors and students of higher education researchers and academicians **Inclusive Innovation** Robyn Klingler-Vidra, Alex Glennie, Courtney Savie

Lawrence, 2022-04-20 Innovation offers potential to cure diseases to better connect people and to make the way we live and work more efficient and enjoyable At the same time innovation can fuel inequality decimate livelihoods and harm mental health This book contends that inclusive innovation innovation motivated by environmental and social aims is able to uplift the benefits of innovation while reducing its harms The book provides accessible engagement with inclusive innovation happening at the grassroots level through to policy arenas with a focus on the South East Asian region Focusing on fundamental questions underpinning innovation in terms of how what and where it argues that inclusive innovation has social processes and low tech solutions as essential means of driving innovation and that environmental concerns must be

considered alongside societal aims The book s understanding of inclusive innovation posits that marginalized or underrepresented innovators are empowered to include themselves by solving a problem that they are experiencing The first in depth exploration of efforts underway to assuage inequality from policy private sector and grassroots perspectives this book will interest researchers in the areas of innovation studies political economy and development studies Chapters 1 and 5 of this book are available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license
