Mills,1972 **Audacity of Speaking in Tongues** Oppong Kyekyeku,2018-10-25 Theological correctness has made speaking in tongues controversial and it confuses everyone within Christendom Many doubts which surrendering it are creating fear instead of faith for its authenticity meanwhile Jesus promised every believer as one of the signs to follow us Speaking in tongues is not the Holy Spirit but it is the evidence indicating that the Holy Spirit has come upon you It happened on the day of Pentecost when one hundred and twenty believers gathered together in Jerusalem The Holy Spirit came upon all of them and they began to speak in tongues as evidence to confirm Jesus s prophecy Peter couldn t ignore its

reality but confirmed that the Holy Spirit had come upon the Gentiles just as they received when he heard the household of Cornelius speaking in tongues In Ephesus Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues Now we contemporary Christians cannot overlook this evidence Instead we must continue until we pass to the next generation Because the truth has to be told

**The Unseen Dynamics of Speaking in Tongues** Steven Adi,2018-05-23 Often times we play around with many words as we use them in our day to day communications and other activities but there comes a time when these words are forged together to make a certain statement and when such a statement comes alive it creates a feeling of shock and awe resulting to a sense of deep satisfaction we marvel and even feel like we have never heard anything like that before Such was the feeling that greeted me when God formed the inspiration for this book upon the tablets of my mind There are certain questions you have always pondered upon while considering the subject of speaking in tongues A number of them highlighted below Why did God

decide that we Christians should pray with other tongues Have you ever wondered the operations that go on spiritually on account of our prayer in tongues What are the realities and facts that distinguish praying in tongues from praying normally How much are we able to achieve within a short while when we pray in tongues Ever wondered what is the best mode of prayer Is it possible that Satan can block the answers to our prayers from reaching us Why was the answer to Daniel s prayers delayed by the Prince of Persia How can our prayers address the things that we do not have knowledge of The Unseen Dynamics of Praying in Tongues reveals all these mysteries and much more as you read through The book does not focus on defining speaking in tongues nor does it teach how to speak in tongues It does however focus on the spiritual activities that are pioneered in the spirit when you pray in tongues highlighting also the analysis and technical aspects of speaking in tongues This book is arguably the most revealing and concise book you have ever read that gives deep details into the invisible happenings and manifestations around Christians when they pray in tongues **Answering Your**

Bell, Jr.,Reverend Herbert G. Bell Jr,2009-07

Speaking in Tongues follows the quest of Reverend Herbert Bell Jr to find out the Biblical truth about speaking in tongues Throughout his book he uses various biblical and pastoral sources to determine the origins of the practice of speaking in tongues His biblical resource is the New King James Version of the bible from which he has also drawn all of the scriptures used in the book He examines the writings of John Wesley Dr Curtis Hutson and James M Frye to weigh their response to the practice of speaking in tongues In John Wesley he finds a voice who just wants his congregation to be able to understand his message Like Wesley he has endeavored in this book to present the material in a manner so that all who read it may understand and profit from its content As he delves more deeply into the writings of Hutson and Frye he finds two theologians who also share his view of speaking in tongues With that as a basis Reverend Bell decided to search the Scripture for himself so that he would learn what God required of him as he worshipped Him in Spirit and in Truth **The Mechanics and Practice of Speaking in Tongues** C. Alan Martin,2013-10-14 The ChallengeWe are going to present and

prove a number of concepts in this study that are new and even revolutionary to the student of speaking in new tongues. Among these concepts are: All men have passively spoken in tongues from birth even before they spoke in their native tongue. This includes non-Christians. Speaking in tongues is a natural and normal thing to do. People were actively speaking in tongues hundreds of years before Christ was born. New tongues are not real languages and cannot be understood by any man. They can be understood by God because of His power. The believers in Acts Chapter Two were not speaking in new tongues. Jesus spoke in new tongues. By speaking in new tongues one can commune with God, heal the sick, and raise the dead. You can learn to actively speak in new tongues and do it at will. Speaking in new tongues is for all intents and purposes gibberish. It is gibberish that only God by His supernatural power can understand. A spiritual thing is not necessarily a supernatural thing. Speaking in new tongues is a merely spiritual manifestation as opposed to a supernatural manifestation. Speaking in new tongues is not diversities of tongues. Diversities of tongues is both a spiritual manifestation and a supernatural manifestation. Speaking in tongues is a co-operative effort between the spirit and the soul. Numbers: It is estimated that 600 million humans believe in the practice of speaking in tongues. As of April 2006, 500 million humans practice speaking in tongues. The number of those speaking in tongues has increased 168 million since 1988. Denominations that promote speaking in tongues add 20 million converts to their pews each year. 100 million Catholics identify with the Charismatic movement and speaking tongues. If these statistics are true and continue, by 2025 there could be over 1.14 billion believers who practice speaking in tongues.

Speaking in Tongues Ian McDonald, 1992. An amazing roller coaster ride through the frontiers of the imagination from the author of the award-winning *King of Morning* and *Queen of Day*. Here are eleven previously uncollected tales filled with magic, humor, and the stunning realism that can surface only in the most well-conceived fantasies. *The Science of Speaking in Tongues* Stephen Jonathan DIN, 2019-05-05. Speaking in Tongues: The Hidden Power of Speaking in Tongues again explores this spiritual experience powerfully prevalent in the early church. This much-maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day. One of the major Christian discussions about spiritual gifts is the gift of speaking in tongues. This is one gift which many Christians continue to discuss. Some question whether speaking in tongues is still operating or ceased after the day of Pentecost. This book gives answers to questions which many believers continue to discuss about the Holy Spirit gift of tongues speaking. One fact about this gift is that those who have genuinely experienced the gift of speaking in tongues are the best teachers to answer questions. This book is good for all who earnestly desire to have knowledge about this gift of the Holy Spirit. Answers to the questions gives more insight about the real package of the gifts of Holy Spirit baptism. It also gives more explanations to the diversity of the body of Christ in relation to receiving the baptism of the Holy Spirit. *Master Keys* Harold McDougal, 1988. **The Power Of Tongues** Chris Oyakhilome PhD., 2005-03-02. In this book Pastor Chris Oyakhilome teaches you the what, how, and why of speaking in other tongues and reveals the immense benefits it holds for you as a New Testament believer in Jesus Christ. You

will also learn about Tongues Interpretation of tongues and Prophecy The difference between Praying in Your Understanding and Praying in Tongues *Speaking with Tongues* George Barton Cutten,1927 What the Bible Says about Speaking in Tongues John Argubright,2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets
