[First Things First](#) Stephen R. Covey,A. Roger Merrill,Rebecca R. Merrill,1994 In the spirit of THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE the international bestseller FIRST THINGS FIRST is a revolutionary guide to managing your time by learning how to balance your life Traditional time management suggests that working harder smarter and faster will help you gain control of your life and that increased control will bring peace and fulfilment The authors of FIRST THINGS FIRST disagree In the first real breakthrough in time management in years Stephen R Covey A Roger Merrill and Rebecca R Merrill apply the insights of the 7 HABITS to the daily problems of people who must struggle with the ever increasing demands of work and home life Rather than focusing on time and things FIRST THINGS FIRST emphasises relationships and results And instead of efficiency this new approach emphasises effectiveness Covey offers a principle centred approach that will empower readers to define what is truly important to accomplish worthwhile goals and to lead rich rewarding and balanced lives

First Things First Every Day Stephen R. Covey,1997-06-03 Daily reflections excerpted from the authors book First Things First which discusses how to balance the demands of a schedule with the desire for fulfillment **Starting Right** Kenda Creasy Dean,Chap Clark,Dave Rahn,2010-05-11 Starting Right Thinking Theologically About Youth Ministry is the first academic textbook that introduces youth ministry students whether undergraduate or graduate level to a marriage of solid research real life and accessible design Whereas most college level texts may reflect a thorough though impenetrable mastery of the field they tend to expect readers to plow through unnecessarily thick prose and bland design because it s good

for them Youth Specialties doesn't agree. In this debut title to a continuing academic book line, college and seminary students will be introduced to real life research, real life youth ministry dilemmas and real life solutions. Contributing writers represent a spectrum of Christian Education thought and practice as well as widespread recognition in their field, transdenominational yet the perfect background to ministry in any denomination or ministry organization. This text includes thorough indexes, design and graphics that compel readers from page to page, now that's a first for a college text organization that permits professors to use any part of the text in any order rather than plod through the entire book from beginning to end, a perfect primary text that gives students a rich academic and readable though not popular grasp of every aspect of youth ministry, a typical Intro course touches while also serving as an ideal secondary text.

Godly Grandparenting Ben E. Dickerson, Derrel Watkins, Derrel R. Watkins, 2008-08. Today's grandparents are younger, more active and significantly involved in the lives of their grandchildren. Currently little exists to help grand parents effectively navigate their changing roles, that is until now. *Godly Grandparenting* is a comprehensive practical resource in today's changing world. Gone are the days of sitting on the porch swing visiting with children and grandchildren. Roles have changed, responsibilities have shifted and new territories for grandparents have emerged. This vital resource explores the many issues facing Christian grandparents today including legal issues. What happens if Grandparenting while still supporting your own children. Grandparenting in a divorce situation. Parenting your grandchildren. The most complete and up to date book for today's Christian grandparents.

Performing Digital David Carlin, Laurene Vaughan, 2016-03-03. Digital technologies have transformed archives in every area of their form and function and as technologies mature so does their capacity to change our understanding and experience of material and performative cultural production. There has been an exponential explosion in the production and consumption of video online and yet there is a scarcity of knowledge and cases about video and the digital archive. This book seeks to address that through the lens of

the project Circus Oz Living Archive This project provides the case study foundation for the articulation of the issues challenges and possibilities that the design and development of digital archives afford Drawn from eight different disciplines and professions the authors explore what it means to embrace the possibilities of digital technologies to transform contemporary cultural institutions and their archives into new methods of performance representation and history
