institutional Church Through their stories we learn how these women act out their missions of social justice challenge cultural and governmental policies and attempt to reconcile their unruliness with their religious orders and the strictures of the church hierarchy At a time when questions of gender religion race and sexuality are provoking intense debate within Catholicism and other Christian traditions and when religion is frequently invoked in political rhetoric these stories provide a vital corrective to our contemporary understanding of the role of women and nuns in the Roman Catholic Church I love this book I swear I do for though my Sister teachers taught me not to swear they also winked me permission to dare In Unruly Catholic Nuns these Sisters are unveiled we get to hear voices long repressed by a religious hierarchy which relegated them to meek handmaidenship and silent subservience Many stayed and fought to reform this patriarchy from within others renounced their vows in order to pursue a more liberating spiritual path God bless this sassy book for finally giving voice to an engaging chorus of lively spirited storytellers Julia Alvarez author of In the Time of the Butterflies and most recently Where Do They Go They want the trappings you want the marrow This line from Ann Breslin s essay in Unruly Catholic Nunshighlights the struggle running throughout these accounts by women fighting to uphold the values of their faith They are radical wild and loving in the face of an unresponsive institution Through this rich collection of personal reflections these brave women show themselves to be the beating heart of the Catholic Church Sonja Livingston author of Ghostbread Unruly Catholic Nuns would be an important book in any time but at this time it s absolutely vital We need models of daring women compelled to speak and live their truths Unruly Catholic Nuns is a hand at my back saying Yes you can do the work you re called to do against all odds I have This is a book for those who follow the faith and those who don t because within these pages we can all find courage determination and wisdom At a time when women s strength and leadership is going to be imperative here are stories to gain strength from to help us move forward in both small ways and big Patrice Vecchione author of Step into Nature Nurturing Imagination and Spirit in Everyday Life
