Tazil Multazam,2019-04-17 We are delighted to introduce the proceedings of the first edition of the Workshop on Multimedia Education Learning Assessment and its Implementation in Game and Gamification This Workshop has brought researchers developers and practitioners around the world who are leveraging and developing the education media learning and scientific technology We strongly believe that this Joint Workshop on Multimedia Education Learning Assessment and its Implementation in Game and Gamification provides a good forum for all researcher developers and practitioners to discuss all scientific and technological aspects that are relevant to Digital Society We also expect that the future Workshop will be as successful and stimulating as indicated by the contributions presented in this volume **Strategic Marketing Problems** K. Kerin,Roger A. Kerin,Robert Allen Peterson,1998 **Decision Making in Marketing and Finance** P. Koku,2014-08-19 As interest in MBA programs and business schools more generally continues to grow it is essential that teachers and students analyse their established strategy for decision making The successful use of case studies in business schools shows the superior outcomes of an interdisciplinary approach to problem solving Disappointingly functional departmental silos within universities still exist and keep problem solvers from seeing all the effects of a given issue In addition to providing teaching material Decision Making in Marketing and Finance provides motives and strategies to break down functional silos in making informed and effective business and finance decisions Koku achieves his goal by showing how value can be created for shareholders and other stakeholders linking marketing and

finance decision making and providing much needed teaching materials for an interdisciplinary approach to case analysis
