Find the Black Box Dr. Ira Williams, 2013-08-12 200 000 preventable deaths each year in the US healthcare system is like having 20 Boeing 747 airliners crashing each week Things are bad in our nation's healthcare delivery system people are dying needlessly in hospitals every single day In *Find the Black Box* author Dr Ira Williams provides a thorough discussion of the American healthcare system and its inherent problems offering solutions to create a healthcare system that works Williams presents a host of facts to show the inadequacies of current healthcare as he answers these questions What has always been missing in our nation's healthcare delivery system Why have current efforts failed to

change the system that will continue to fail Why are some of these efforts highly questionable if not illegal Find the Black Box explores the truths behind the continuing increase in medical errors and explains how healthcare in the nation is unorganized dysfunctional and chaotic Williams shows how better healthcare is possible

Jungian Reflections On Grandiosity Francesco Belviso,2020-03-05 In Jungian Reflections on Grandiosity From Destructive Fantasies to Passions and Purpose Francesco Belviso presents a dual view of grandiosity as a destructive obsession that when approached with curiosity and awareness has the potential of fueling our lives with a sense of purpose while being a positive force in the world Explaining Jungian psychological concepts in an engaging style the book begins by examining the origins of grandiose fantasies in children and how grandiosity persists well into adulthood in our dreams fantasies and strivings Exploring its relation to narcissism and delusions the book describes how grandiosity can hijack many areas of our lives as we chase fame beauty knowledge youth and even morality often with disastrous consequences The book s second half explores how grandiosity can help us identify our passions and callings ending with a discussion on how to pursue them with integrity and courage Weaving stories from Greek mythology to Dante s poetry from the heroic lives of Rosa Parks to Captain Sully from fairy tales to our everyday decisions about careers finances selfies and dating and from the lives and nighttime dreams of his patients and his own Belviso invites us to explore the larger than life aspirations that stir us all This book offers ideas and tools to better understand our ambitions challenging us to come to terms with our limitations and find personally meaningful paths forward Jungian Reflections on Grandiosity will be essential reading for academics and students of Jungian studies as well as analytical psychologists and analysts in practice and in training It will also be of interest to those wishing to explore Jungian ideas and the role of grandiosity in public and private life
