Religious Freedom and the Global Regulation of Ayahuasca Beatriz Caiuby Labate, Clancy Cavnar, 2023-03-29 This book offers a comprehensive view of the legal political and ethical challenges related to the global regulation of ayahuasca bringing together an international and interdisciplinary group of scholars Ayahuasca is a psychoactive brew containing N N Dimethyltryptamine DMT which is a Schedule I substance under the United Nations Convention on Psychotropic Substances and the legality of its ritual use has been interpreted differently throughout the world The chapters in this volume reflect on the complex implications of the international expansion of ayahuasca from health spirituality and human rights impacts on individuals to legal and policy impacts on national governments While freedom of religion is generally protected this protection depends on the recognition of a religion s legitimacy and whether particular practices may be deemed a threat to public health safety or morality Through a comparative analysis of different contexts in North America South America and Europe in which ayahuasca is consumed the book investigates the conceptual philosophical and legal distinctions among the fields of shamanism religion and medicine It will be particularly relevant to scholars with an interest in indigenous religion and in religion and law

**Religion, Drug, or Cult?** Henrique Fernandes Antunes, 2025-11-19 This book explores the emergence of the religious use of ayahuasca as a subject of public interest and state intervention in Brazil the United States and France In Brazil since the 1980s ayahuasca use has been permitted by the National Council on Drug Policies exclusively for religious purposes In the late 2000s public policies shifted from drug control to cultural heritage following demands by groups from Acre for recognition of their practices as intangible heritage In the United States two Brazilian religions Uni o do Vegetal UDV and Santo Daime as well as two non Christian churches the Church of the Eagle and the Condor and the Church of the Celestial Heart secured the legal right to use ayahuasca Through legal battles and settlements they obtained exemptions from the Controlled Substances Act CSA under the Religious Freedom Restoration Act RFRA In France ayahuasca was banned in 2005 just three months after a Santo Daime group successfully appealed drug charges Today ayahuasca remains illegal groups are often labeled as dangerous cults and seen as threats to French republican ideals Inspired by the anthropology of secularism and the sociology of public problems the book examines how terms like religion cult drug hallucinogen and cultural heritage are mobilized by various actors in public disputes to shape perceptions and influence policy It draws on legal cases public policies legislation academic literature social media institutional documents and interviews with key figures involved in regulatory debates The central thesis ayahuasca as a lens to understand how states define religion and determine legitimate religious practice offers fresh perspectives on the intersections of religious freedom drug policy and state authority Bridging multiple disciplines the book contributes to debates on law and religion and to a deeper understanding of how democracies manage minority faiths cultural rights and the boundaries of state intervention

**Soul Quest** Lauren Bloom, 2018-03-13 This Soul Quest Guide in a non sectarian or dogmatic way which

gives you the freedom you need to express the experience of your own Quest and convictions of what you consider to be the source of being For example the inclusive term Spirit is used to refer to what you may call God The All The Universe The Essence of Life The Quantum Field of Intelligence or The Ground of Being and so forth The inclusive term Soul is used to refer to the substance or Essence of Spirit within the ground of your being This book draws upon the insight of acclaimed professionals in the field of personal development and spiritual enrichment It also draws upon the rational and experiential reports and insight of spiritually developed individuals with an aim to convey supportive yet Self directed insight However it seeks to convey this insight in a way that can serve many levels of spiritual development which may inform your path or reaffirm what you already know to be true It can help you to access the wisdom of your Soul but it does not determine which path to follow Instead it offers tools that you can use to pursue the path of your spiritual journey and Quest according to your own convictions and present needs As your Guide this book encourages you to Enjoy the Soul quenching beauty of your natural world Clarify the labyrinth of your present life and the focus of your Quest Identify what s impeding your positive potential so you can recover your creative energy Explore your spiritual and human nature so you can discern between them with greater ease Manage and transcend your ego so you can access the wisdom of your Soul with optimum clarity Explore and cultivate spiritual attunement so you can access spiritual guidance with greater frequency Explore and use the magnetic receptors directional bearings of your Soul Compass to guide your path Identify your values talents skills priorities and more so you can optimize your creative potential Express and log your Passion for Life Statement Vision so you can chart a practical plan of action Chart creative compass maps to log and execute a plan of action to pursue potential goals As your Journal this book provides a palette of powerful life questions and exercises that can aid your life planning process So that you can focus on your spiritual and physical priorities explore options develop and log important goals and pursue the ultimate goal of true and meaningful success which may include but also transcends the practical needs of monetary gain Thoughts to Ponder pages are also provided so you can log important insights that support your Quest If you purchase the Kindle version of this book you can use a notebook or personal journal to record your answers to the exercises provided throughout this book Soul Quest can help you to access the silent voice within so it can guide you to the life you long to live from the deepest part of your being It provides the tools you need to explore perceive and achieve your ultimate goal It is a companion for your Sacred Quest to hear and honor the voice of your Soul and to celebrate your ability to be whole This book and your Quest is a Self guided journey to the highest expression of who you really are If you would like to learn more about Soul Quest or to schedule a group or a private Quest visit [www.isoulquest.com](http://www.isoulquest.com) [Plant Medicines, Healing and Psychedelic Science](#) Beatriz Caiuby Labate,Clancy Cavnar,2018-04-28 This is a book about the intersections of three dimensions The first is the way social scientists and historians treat the history of psychiatry and healing especially as it intersects with psychedelics The second encompasses a reflection on the substances themselves and their effects on bodies The third

addresses traditional healing as it circles back to our understanding of drugs and psychiatry The chapters explore how these dimensions are distinct but deeply intertwined themes that offer important insights into contemporary healing practices The intended audience of the volume is large and diverse neuroscientists biologists medical doctors psychiatrists psychologists mental health professionals interested in the therapeutic application of psychedelic substances or who work with substance abuse depression anxiety and PTSD patients and practitioners of complementary and alternative medicine ethnobotanists and ethnopharmacologists lawyers criminologists and other specialists in international law working on matters related to drug policy and human rights as well as scholars of religious studies anthropologists sociologists and historians social scientists concerned both with the history of science medicine and technology and concepts of health illness and healing It has a potentially large international audience especially considering the increasing interest in psychedelic science and the growing spread of the use of traditional psychoactives in the West

Soul Quest Paul Hawker,2007 Finding himself at midlife feeling hollow and a like fraud Paul Hawker embarks on a journey into the wilderness In the tradition of the vision quest like a hero in a mythic tale he leaves his family and community to spend 40 days and 40 nights on a New Zealand mountaintop knowing full well the solitude deprivation and dangers he will face from exposure to the elements But like many mystics and sages before him he chooses a path of physical and spiritual testing as way to break through the veneer of his life *Soul Quest A Spiritual Odyssey through 40 Days and 40 Nights of Mountain Solitude* is the ruthlessly honest account of Paul Hawker s attempt to open himself to the Source to discern the voice of God in his life *Catalog of Copyright Entries.
