New chapters and content were decided upon after extensive research in the form of 600 surveys, two focus groups, and 36 in-depth reviews. With that as a starting point, Milady recruited 20 of the top experts in the field to contribute to the text, followed by a reworking of their material by a professional writer to ensure a uniform reading level throughout. Another three dozen reviewers were enlisted to evaluate the material, ensuring the accuracy and comprehensiveness of the content. The result is the most reliable cosmetology textbook available, one that covers all essential information in a contemporary, easy-to-use manner.
