## **Story Engineering Larry Brooks:**

*Story Engineering* Larry Brooks, 2011-01-27 What makes a good story or a screenplay great The vast majority of writers begin the storytelling process with only a partial understanding where to begin Some labor their entire lives without ever learning that successful stories are as dependent upon good engineering as they are artistry But the truth is unless you are master of the form function and criteria of successful storytelling sitting down and pounding out a first draft without planning is an ineffective way to begin Story Engineering starts with the criteria and the architecture of storytelling the engineering and design of a story and uses it as the basis for narrative The greatest potential of any story is found in the way six specific aspects of storytelling combine and empower each other on the page When rendered artfully they become a sum in excess of their parts You ll learn to wrap your head around the big pictures of storytelling at a professional level through a new approach that shows how to combine these six core competencies which include Four elemental competencies of concept character theme and story structure plot Two executional competencies of scene construction and writing voice The true magic of storytelling happens when these six core competencies work together in perfect harmony And the best part Anyone can do it

Story Physics Larry Brooks, 2013-05-21 Learn how to make your story soar In the physical world gravity force and other elements of physics govern your abilities and can be utilized to enhance your every movement In the world of writing story physics can be harnessed in much the same way to make your novel or screenplay the best it can be In *Story Physics* best selling author Larry Brooks introduces you to six key literary forces that when leveraged in just the right way enable you to craft a story that s primed for success and publication Inside *Story Physics* you ll learn how to Understand and harness the six storytelling forces that are constantly at work in your fiction Transform your story idea into a dramatically compelling concept Optimize the choices you make in terms of character conflict subplot subtext and more to render the best possible outcome These literary forces will elevate your story above the competition and help you avoid the rejection pile With *Story Physics* you won t just give your story wings you ll teach it how to fly Larry Brooks speaks my kind of language about story Any writer even those trucking in the world of nonfiction will benefit from going deeper into the physics of storytelling as Brooks explains in these pages James Scott Bell best selling author of *Plot Structure* Larry Brooks has done it again If you liked *Story Engineering* I suspect you re going to love *Story Physics* which dives even deeper into the essence of story *Story Physics* is an essential addition to every novelist s bookshelf Randy Ingermanson author of *Writing Fiction for Dummies*

**Great Stories Don't Write Themselves** Larry Brooks, 2019-11-05 One of the most common questions new writers ask professionals is how they wrote their book what was their process for storytelling Did they use an outline to plan the book or write it from the seat of their pants But really the question should be about the general principles and nature of storycraft does every part of a story have what it needs to keep readers turning the pages Bestselling author and creator of *StoryFix* com Larry Brooks changes the sound of the writing conversation by introducing a series of detailed criteria for

novelists of every level and genre to refer to while writing regardless of their preferred writing method Beginning with the broadest part of the story the early checklists help writers to ensure that their novel is based on a premise rather than an idea and gradually hones in on other elements to keep the story moving forward including dramatic tension narrative strategy scene construction Readers won't know or care about the process But what Brooks offers here is a chance for readers to make the most of whichever process they choose and in doing so cut years off their learning curve

**Story Fix** Larry Brooks, 2015-10-19 Reinvalidate Your Fiction You've written the first draft of your novel or screenplay and you've released it into the world to your critique group to your most trusted beta readers or even to an agent or an editor But something's wrong You're not getting the glowing response you had expected or you might have even received a rejection Your story is getting a Meh when you had hoped for an Amazing But have no fear the piece you've sweated and bled over isn't dead on arrival It just needs fixing Story Fix is the answer to your revision needs With practical techniques from critically acclaimed author and story coach Larry Brooks you will learn how to Develop a story fixing mind set Navigate the two essential realms of revision story and execution Evaluate your novel or screenplay against twelve crucial storytelling elements and essences Strengthen your concept and premise Punch up the dramatic tension pacing thematic weight characterization and more Align your story with proven structural principles Filled with candid advice on the realities of the publishing world and helpful case studies of real authors who fixed their own stories Story Fix isn't just about revision it's about resurrection Infuse your fiction with a much needed jolt of electricity and bring it back to life Larry Brooks is a superb storyteller and teacher If anyone can fix your novel it's him Put this one on your desk and read it often Robert Dugoni 1 Amazon and New York Times best selling author of My Sister's Grave Story Fix is the ultimate writer's companion for taking any manuscript to the next level A staple for the beginner a refresher for the pro Joe Moore 1 Amazon and international best selling co author of The Blade and The Shield

Pressure Points Larry Brooks, 2013-12-09 The game is a weeklong retreat It's located in a remote region of northern California It's designed to build teamwork establish trust and increase awareness The players are three ambitious executives one woman and two men each prepared to put his physical mental and moral limits to the test They never dreamed how far they could go The rules are simple First you run Then you hide Don't appear weak don't admit to the fear and don't react to the pain The prize is staying alive Let the game begin
