

# Basic Introduction To Project Planning and Scheduling

A photograph of a building under construction, heavily encased in a complex network of metal scaffolding. The structure is set against a clear, bright blue sky. The scaffolding consists of numerous vertical and horizontal poles and cross-braces, creating a dense grid-like pattern around the building's form. The building's structure is partially visible through the scaffolding, showing concrete slabs and steel beams. The lighting suggests a clear day, with the sky being a uniform, vibrant blue.
