Muhammad Hussein Noure Elahi, 2016-04-27 This textbook should be viewed as a guidebook rather than a comprehensive
reference on all things about classroom administration Although all of the guidelines are research supported the goal of this
textbook is to provide teachers with a practical accessible and engaging reference rather than an exhaustive compendium of
classroom administration models and detailed rationales for why certain approaches are highlighted and others are not
Frankly the models tips and guidelines presented in this textbook were selected because of their proven effectiveness in my
own classroom or in the classrooms of those with whom I've worked or been Classroom administration is a demanding and
critical component of education so my focus is to get you to the core of what works This textbook has been offered to you at
best because the information contained is result of the accomplishments and failures of so many teachers and no one person
can lay claim to all of the knowledge and expertise you'll find in this textbook Think of this textbook as the teacher next door
who is always willing to give you advice and some good ideas for managing your class Godspeed on your journey and focus
always on the impact you are making on the young people who have been left in your charge
