this exacting rather reclusive author resonated with the public for so many generations The secret is one that Agatha knew well her stories are about people we can relate to in real life As Hercule Poirot was fond of saying everyone has the makings of a criminal in him the key to success in life is in how we master those darker feelings As we read an Agatha Christie novel we realize that we ourselves could easily be one of the characters and yes even the murderer EXCERPT FROM THE BOOK Other than its inventive plot a major reason for the success of this first novel was the quirky yet captivating character of Hercule Poirot who was inspired by the Belgian refugees living in England whom Agatha had met during the First World War She recalled that they had a hard time understanding the British way of doing things and preferred to assimilate as little of British life as possible Throughout the 1920s Agatha completed to write and produced one of her greatest successes The Murder of Roger Ackroyd in 1926 This novel was a sensation with the reading public because of its unexpected and even shocking ending and was so popular that it was made into a movie in 1931 Alibi which marked the first film appearance of Hercule Poirot The 1930s however proved to be Agatha s most productive time as a writer During this decade she wrote a total of 14 Poirot novels and two Miss Marple novels as well as two books featuring the character Superintendent Battle two story collections featuring the characters Harley Quin and Mr Parker Pyne four additional mystery books two plays and a novel under her pseudonym Mary Westmacott Buy a copy to keep reading *Agatha Christie* Laura Thompson,2018-03-06 It has been one hundred years since Agatha Christie wrote her first novel and created the formidable Hercule Poirot A brilliant and award winning biographer Laura Thompson now turns her sharp eye to Agatha Christie Arguably the greatest crime writer in the world Christie s books still sell over four million copies each year more than thirty years after her death and it shows no signs of slowing But who was the woman behind these mystifying yet eternally pleasing puzzlers Thompson reveals the Edwardian world in which Christie grew up explores her relationships including those with her two husbands and daughter and investigates the many mysteries still surrounding Christie s life most notably her eleven day disappearance in 1926 Agatha Christie is as mysterious as the stories she penned and writing about her is a detection job in itself With unprecedented access to all of Christie s letters papers and notebooks as well as fresh and insightful interviews with her grandson daughter son in law and their living relations Thompson is able to unravel not only the detailed workings of Christie s detective fiction but the truth behind this mysterious woman AGATHA CHRISTIE BIOGRAPHY.
