Al Pacino Lawrence Grobel,2006 The closest we will ever get to Al Pacino s autobiography the authorised collection of interviews with Pacino over 25 years by his close friend Larry Grobel

Al Pacino in Conversation with Lawrence Grobel Lawrence Grobel,2006 Woven together years worth of conversations and interviews between Pacino and Grobel offer a complete career retrospective and a unique look into Pacino the man his ambitions successes and regrets [Al Pacino](#),2008 A portrait based on twenty five years of interviews explores some of the Hollywood giant s most crucial life periods from his childhood and adult relationships to his work in the Godfather trilogy and his eight Academy Award nominations

Al Pacino Al Pacino,2006 **Al Pacino** Lawrence Grobel,2006-12-01 For more than a quarter century Al Pacino has spoken freely and deeply with acclaimed journalist and bestselling author Lawrence Grobel on subjects as diverse as childhood acting and fatherhood Here for the first time are the complete conversations and shared observations between the actor and the writer the result is an intimate and revealing look at one of the most accomplished and private artists in the world Pacino grew up sharing a three room apartment in the Bronx with nine people in what he describes as his New York Huckleberry Finn childhood Raised mostly by his grandparents and his mother Pacino began drinking at age thirteen Shortly after he was admitted to the renowned High School for Performing Arts his classmates nicknamed him Marlon after Marlon Brando even though Pacino didn t know who Brando was Renowned acting coach Charlie Laughton saw Pacino when he was nineteen in the stairwell of a Bronx tenement and the first words out of Laughton s mouth were You are going to be a star And so began a fabled lifelong friendship that nurtured Al through years of not knowing where his next meal would come from until finally at age twenty six he landed his first salaried acting job Grobel and Pacino leave few stones unturned touching on the times when Pacino played piano in jazz clubs until four a m before showing up on the set of Scarecrow a few hours later for a full day s work when he ate Valium like candy at the Academy Awards and when he realized he had been in a long pattern of work and drink As the pivotal character in The Godfather trilogy and the cult classic Scarface Pacino has enshrined himself in film history He s worked with most of Hollywood s brightest luminaries such as Francis Ford Coppola Sidney Lumet Michael Mann Norman Jewison Brian De Palma Marlon Brando Robert De Niro Gene Hackman Sean Penn Johnny Depp Michelle Pfeiffer Hilary Swank and Robin Williams among many others He was nominated for eight Academy Awards before winning the Oscar for Best Actor for his role in Scent of a Woman Pacino still seems to prefer his work onstage to film and if he s moved by a script or play is quick to take parts in independent productions Al Pacino is an intensely personal window into the life of an artist concerned more with the process of his art than with the fruits of his labor a creative genius at the peak of his artistic powers who after all these years still longs to grow and learn more about his craft And for now it s as close to a memoir as we re likely to get *I Want You in My Movie!* Lawrence Grobel,2014-09-11 Why am I doing this Al Pacino wondered a year into his personal movie about his obsession with Salome Oscar Wilde s lyrical play

written in 1891 No one saw Looking for Richard who's going to want to see something about Oscar Wilde In I Want You in My Movie Grobel found the answer to that question and more when he joined the crew and followed the creative process of filmmaking from inception to completion His meticulous journal is as close to being there as a reader can ever hope to get This intimate peek behind the curtain documenting the hopes dreams frustrations and complexities of Pacino and all the people who come in and out of his life is a fitting sequel to Grobel's internationally acclaimed AL PACINO in Conversation with Lawrence Grobel which was named the Best International Book of the Year by the Society of French Film Critics I Want You in My Movie takes you deeper into the mind and process of Al Pacino Including exclusive photos Grobel took on the set and behind the scenes it's a movie buff's delight warts and all [Ce-ar face Google?](#) Jeff Jarvis,Irina Henegar,2010 **The Art of the Interview** Lawrence Grobel,2010-05-05 THE ULTIMATE INSIDER'S LOOK AT THE FINE ART OF INTERVIEWING I had a fantasy the other night that this interview is so great that they no longer want me to act just do interviews I thought of us going all over the world doing interviews we've signed for three interviews a day for six weeks Al Pacino in an interview with Lawrence Grobel Highly respected in journalist circles and hailed as the Interviewer's Interviewer Lawrence Grobel is the author of well received biographies of Truman Capote Marlon Brando James Michener and the Huston family with bylines from Rolling Stone and Playboy to the New York Times He has spent his thirty year career getting tough subjects to truly open up and talk Now in The Art of the Interview he offers step by step instruction on all aspects of nailing an effective interview and provides an inside look on how he elicited such colorful responses as I don't like Shakespeare I'd rather be in Malibu Anthony Hopkins Feminists don't like me and I don't like them Mel Gibson I hope to God my friends steal my body out of a morgue and throw a party when I'm dead Drew Barrymore I want you out of here And I want those goddamn tapes Bob Knight I smoked pot with my father when I was eleven in 1973 He thought he was giving me a mind extending experience just like he used to give me Hemingway novels and Woody Allen films Anthony Kiedis In The Art of the Interview Grobel reveals the most memorable stories from his career along with examples of the most candid moments from his long list of famous interviewees from Oscar winning actors and Nobel laureates to Pulitzer Prizewinning writers and sports figures Taking us step by step through the interview process from research and question writing to final editing The Art of the Interview is a treat for journalists and culture vultures alike [Al Pacino](#) Lawrence Grobel,2007 [Al Pacino](#) Lawrence Grobel,2007 **Leave the Gun, Take the Cannoli** Mark Seal,2021-10-19 NATIONAL BESTSELLER This wickedly pacey page turner Total Film unfurls the behind the scenes story of the making of The Godfather fifty years after the classic film's original release The story of how The Godfather was made is as dramatic operatic and entertaining as the film itself Over the years many versions of various aspects of the movie's fiery creation have been told sometimes conflicting but always compelling Mark Seal sifts through the evidence has extensive new conversations with director Francis Ford Coppola and several heretofore silent sources and complements them with colorful interviews with key players including
