Feedback to Managers: A Guide to Reviewing and Selecting Multirater Instruments for Leadership Development 4th Edition Jean Brittain Leslie, 2013-08-19

Feedback is a rare commodity in day to day organizational life but it is a key to ongoing effectiveness One popular vehicle for getting feedback from one's boss peers subordinates and customers is the multiple perspective or 360 degree feedback instrument Whether part of a management development course or used alone this kind of instrument can enhance self awareness by highlighting a leader's strengths and areas in need of further development

Selecting the right instrument from among the dozens that are available can be difficult however This new edition of Feedback to Managers the fourth updates and expands the popular 1998 edition It guides the selection process with an in depth analysis of 32 publicly available instruments that relate self view to the views of others on multiple management or leadership domains Each of the instrument reports includes descriptive information a look at the research behind the instrument and descriptions of support materials
