Basic Marketing 18th Edition:

Loose Leaf Basic Marketing Jr. Perreault, William, Joseph Cannon, E. Jerome McCarthy, 2010-10-15 Overview Basic Marketing 18e builds on the foundation pillars of previous editions the four Ps framework managerial orientation and strategy planning focus The Perreault franchise was the pioneer of the four Ps in the introductory marketing course The unifying focus of Basic Marketing has always been on how to make the marketing decisions that a manager must make in deciding what customers to focus on and how best to meet their needs Over many editions there has been constant change in marketing management and the marketing environment Some of the changes have been dramatic and others have been subtle As a result the authors have made ongoing changes to the text to reflect marketing's best practices and ideas Throughout all of these changes Basic Marketing and the supporting materials that accompany it have been more widely used than any other teaching materials for introductory marketing Consistent with our belief in continuous quality improvement this edition has been critically revised updated and rewritten to reflect new concepts new examples and recent best practices This edition extends the strategy planning approach integrating concepts tightly with the marketing strategy planning model

Basic Marketing William D. Perreault, Joseph P. Cannon, Edmund Jerome McCarthy, 2011 Basic Marketing 18 e builds on the foundation pillars of previous editions the four Ps framework managerial orientation and strategy planning focus The Perreault franchise was the pioneer of the four Ps in the introductory marketing course The unifying focus of Basic Marketing has always been on how to make the marketing decisions that a manager must make in deciding what customers to focus on and how best to meet their needs Over many editions there has been constant change in marketing management and the marketing environment Some of the changes have been dramatic and others have been subtle As a result the authors have made ongoing changes to the text to reflect marketing's best practices and ideas Throughout all of these changes Basic Marketing and the supporting materials that accompany it have been more widely used than any other teaching materials for introductory marketing Consistent with our belief in continuous quality improvement this edition has been critically revised updated and rewritten to reflect new concepts new examples and recent best practices This edition extends the strategy planning approach integrating concepts tightly with the marketing strategy planning model

Media Management in the Age of Giants Dennis F. Herrick, 2012-08-15 The emergence of giant media corporations has created a new era in mass communications The world of media giants with a focus on the bottom line makes awareness of business and financial issues critical for everyone in the industry This timely new edition of a popular and successful textbook introduces basic business concepts terminology history and management theories in the context of contemporary events It includes up to date information on technology and addresses the major problem facing media companies today How can the news regain profitability in the digital age Focusing on newspaper television and radio companies Herrick fills his book with real life examples interviews with media managers and case studies In a time when all

the rules are changing because of digital technology conglomeration and shifting consumer habits this text is a vital tool for students and working journalists

Retailing Denise T. Ogden, James R. Ogden, Robert Paul Jones, 2017-08-02 Light on the fluff solid on the basics the fourth edition of Retailing is a concise text that covers strategic issues with an eye on financial considerations and operations management issues illustrated through retail cases and exercises New co author Robert Paul Jones is Department Chair of Hospitality and Retail Management in the College of Human Sciences at Texas Tech In addition to his extensive academic work Dr Jones has over 25 years of executive leadership and consulting experience in retail and hospitality He uses an Integrated Retail Management flow chart to depict retail functions Most retail texts present students with a series of chapters that provide useful information but fail to explain how the various activities involved in retailing affect each other The 4th edition offers the student an overview of the retail process through the use of an integrated retail management IRM plan The steps involved in retailing as presented in the text are tied together through the IRM plan Expanded coverage of Mobile and e Tailing and included throughout the text and not treated as a stand alone chapter This helps emphasize that e tailing is a form of retailing that uses many of the same models as other forms Includes updated cases and real world examples And omni channel retailing incorporated throughout text
