To write an emphatic case study analysis and provide pragmatic and actionable
solutions, you must have a strong grasps of the facts and the central problem of
the HBR case study. Begin slowly - underline the details and sketch out the
business case study description map. In some cases you will able to find the
central problem in the beginning itself while in others it may be in the end in form
of questions. Business case study paragraph by paragraph mapping will help you
in organizing the information correctly and provide a clear guide to go back to the
case study if you need further information.

My case study strategy involves.

Marking out the protagonist and key players in the case study from the very start.
