Any Time, Any Place, Any Path, Any Pace National Association of State Boards of Education, Alexandria, VA.,2001 Having examined the emerging evidence and considered the doubts and cautions the National Association of State Boards of Education NASBE Study Group on e Learning concludes that e learning will improve American education in valuable ways and should be universally implemented as soon as possible The primary goal of this report is to provide a sufficient context so that education policy leaders can ask the right policy questions and take the lead on developing sound e learning policies Following are the major policy opportunities identified by the Study Group Restructuring the public education system to maximize the benefits of e learning requires attention to basic policy foundations that influence the day to day behaviors of teachers administrators and students Reengineering the system should include revising learning standards bringing state

assessments online streamlining policies empowering families and moving beyond geographic boundaries The Study Group firmly believes that the most valuable benefit of e learning is its potential ability to delivery high quality instructional services to all learners regardless of location family or cultural background or disability Assuring universal opportunity is a critical policy foundation and should include ensuring high quality educators for all children providing access to robust equipment and the Internet at school providing after school access and supplying technologies to assist students with special needs Making available appropriate e learning resources for a quality education raises complex policy questions that can challenge basic assumptions governing the traditional education system and settled ways of doing business Fundamental change can occur during this exciting time including offering online courses for credit determining effective ways to rapidly expand the availability of high quality e learning resources and developing and or revisiting policies addressing appropriate student use of the Internet privacy protection and advertising in public schools Contains 180 references AEF *Gandhi Marg* ,1990
