Bigalow, 2001-12-31 Unlock the secrets of an ancient charting tool. The most ancient form of charting, the Japanese candlestick method, has become an extremely popular analytical tool among the new generation of traders. However, because of the aura of mysticism surrounding candlesticks and the arcane terminology typically used to describe them, many traders in the West never really learn how to use them properly and exploit their full potential. Profitable Candlestick Trading demystifies candlesticks for today's traders. With the help of numerous real world examples, Bigalow clearly explains how candlesticks work, how to read them, and how to maximize profits with them. Bigalow shares some of his original candlestick based trading programs, the same programs which have yielded impressive results for his clients at leading financial firms in the United States and abroad. **Mastering Futures Trading** Bo Yoder, 2004 Explores the strategies, concepts, and methodologies you need to know to become a successful futures trader.
