The dark alchemy of intention Dr Manoj Yadav (Swami Charamanand),2026-03-23 **Higher Vibrations for Health, Happiness, and Harmony** Brian Withers,2015-06-19 Higher Vibrations for Health Happiness and Harmony shows you why your life is the way it is the good the bad and the ugly and how to take back your power so you can take charge of what happens in your life What we must realize is that much of our influences in our growing years were unaware of some critical pieces of knowledge about who we are as a complete human being and the power we possess to direct and navigate our life In the absence of these missing pieces of knowledge we as a human race have taken on many faulty and limited beliefs about ourselves and about the way life is to be lived This has profoundly affected the quality of our life The missing pieces of knowledge not only connect us with our true power as a human being but they connect us with the fundamental laws that govern everything in the universe and empower us to co create the life of our desires Without this knowledge not only is it virtually impossible for any of us to live a complete life of balance and fulfillment but collectively we cannot achieve world harmony and peace because we are operating with faulty and limited beliefs In this book you will find the truth of your power and the natural laws and how to use those to not only live the life you came to this planet for but to strongly influence world peace and harmony without lifting a finger You have that much power within you you simply need to learn how to use it intentionally **The Power Of Intention** Wayne W Dyer, Intention is generally viewed as a pit bull kind of determination propelling one to succeed at all costs by never giving up on an inner picture In this view an attitude that combines hard work with an indefatigable drive toward excellence is the way to succeed However intention is viewed very differently in this book Dr Wayne W Dyer has researched intention as a force in the universe that allows the act of creation to take place This book explores intention not as something you do but as an energy you re a part of We re all intended here through the invisible power of intention This is the first book to look at intention as a field of energy that you can access to begin co creating your life with the power of intention **Self-Ignorance Is Your Problem.
