actions go beyond the killing of his victims it was what he did with his victims bodies after killing them Necrophilia cannibalism and dismemberment were all part his routine in his attempts to satiate his morbid desires Just as terrifying as his dark fantasies were his ability to appear and function as an average person allowing him to avoid raising suspicion in those he interacted with including law enforcement Contrary to the myth that serial killers kill indiscriminately Kemper s killing spree may have been rooted in the hatred that he felt for his mother In an interview after his capture he admitted that he was intentionally developing his killing skills with each co ed that he killed He was training for the ultimate murder which was the killing of his mother From beginning to end the book provides insights to why Kemper became a serial killer as well his mindset behind the killings

Serial Killers Jeff Kramer,2016-08-13 Serial Killer Book That You Have Never Seen Before Analysis Of Criminal Minds Patterns Thinking Reasons Why They Did What They Did It is not in the natural wiring of a man or woman to take another man s life It is even more unnatural when the person has a compulsion to keep taking lives so that he satisfies some twisted craving The psychology of serial killers is a bit difficult to explore The reason is that it is not something that is set in rigid boundaries It appears that after every murder an extra layer is added to it It also appears that the humane side of a serial killer dies a little more with every killing Do you want to learn more about serial killers Are you interested in knowing what led them down that path If you do this book does a great job of looking at what drove the different people to serial killers It is important to note that nothing justifies taking life but rather we try to look at what made sense in the eyes of the serial killer to do what they did and with no remorse for their actions Here Is A Sneak Peek Of What You Will Learn Wayne Gacy The Molester And Killer Of Boys Edward Theodore Gein Dr Harold Shipman The Killer Doctor Compilation And Linking Of The Mental States And Tics Of These Serial Killers And Much Much More Interesting Facts Do Not Wait Any Longer And Get This Book For Only 7 99
