

Light Zone City

Light Planning in the Urban Context

Christa van Santen

Birkhäuser

An aerial night photograph of a city, likely Austin, Texas, showing a dense urban landscape with numerous lights. A prominent feature is a glowing, translucent, funnel-shaped light zone that originates from the left side of the frame and tapers towards the center, highlighting a specific urban corridor. In the background, the illuminated dome of the Texas State Capitol building is visible on the right side. The overall scene is a mix of warm yellow and white city lights against a dark night sky.
