Cryptography and Network Security William Walter Stallings,1999

Securesocial: Secure Cloud-based Social Network Pradeep Atrey,Kasun Senevirathna,2019-08-19 The use of online social networks OSNs has grown exponentially in recent years and these OSNs continue to have an ever increasing impact on human lives There are many concerns regarding the privacy of users in these environments such as how trustworthy the social network operators SNOs are This book presents a way to tackle the security and privacy issues in current OSNs through a new framework for online social networking based on distributed cloud based datacenters CDCs and using Shamir s secret sharing SSS as the method of encrypting user profile data The framework aims to fulfill two contradictory goals maintaining the utility of an OSN and preserving privacy of its users The key feature of the framework lies in relinquishing control of a central authority over user s data which is what usually happens in the current OSNs e g Facebook keeps all our data and distributing it to multiple CDCs in encrypted form The use of SSS ensures perfect security which means that the security of data does not rely on any unproven computational assumptions In this unique book SNOs are considered as an adversary instead of external adversary This paves the way for researchers to think beyond the privacy setting mechanism within an OSN to protect users data

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
