New Strategy Models in Digital Entrepreneurship Yazıcı, Ayşe Meriç, Albattat, Ahmad, Valeri, Marco, Hassan, Viana, 2024-08-09 The changing digital landscape has many organizations grappling with the challenge of adapting to unprecedented changes and innovation. The absence of a universally accepted definition of digital strategy exacerbates the complexity, leaving leaders uncertain about how to navigate this journey. Inertia becomes an untenable response to the urgent questions organizations face in a digitized world: how to seize digital opportunities, mitigate threats, and transform traditional values into digital assets. *New Strategy Models in Digital Entrepreneurship* emerges as the definitive solution for academic scholars seeking clarity and guidance in the realm of digital strategy. The book offers a comprehensive collection of papers that explore traditional paradigms, contemporary approaches, and innovative research methodologies. It serves as a beacon for practitioners, academicians, postgraduate and undergraduate students, and librarians, providing a roadmap for formulating and executing robust digital strategies. From theoretical foundations to the application of innovative business models, the book presents a holistic approach to navigating the complexities of digital transformation.

Introduction to Criminal Justice

Brian K. Payne, Willard M. Oliver, Nancy E. Marion, 2017-11-27 Very thorough text that makes great use of high profile cases to engage students and foster a passion for criminal justice. Patricia Ahmed, South Dakota State University. *Introduction to Criminal Justice*, Second Edition, provides students with balanced, comprehensive, and up-to-date coverage of all aspects of the criminal justice system. Authors Brian K. Payne, Willard M. Oliver, and Nancy E. Marion cover criminal justice from a student-centered perspective by identifying the key issues confronting today's criminal justice professionals. Students are presented with objective, research-driven material through an accessible and concise writing style that makes the content easier to comprehend. By exploring criminal justice from a broad and balanced perspective, students will understand how decision-making is critical to the criminal justice process and their future careers. The fully updated Second Edition has been completely revised to include new studies and current examples that are relatable to today's students. Two new feature boxes have been added to this edition to help students comprehend and apply the content. *You Have the Right to Give* provides insight into several Constitutional amendments and their relationship with criminal justice today and *Politics and Criminal Justice* explores current political hot topics surrounding the justice system and the debates that occur on both sides of the political aisle.
