The Role and Limitations of Technology in U.S. Counterinsurgency Warfare Richard W. Rubright,2015-02 Richard W Rubright addresses the limits and constraints of technology in enhancing American military capability Analyzing the confines and self imposed restrictions on the use of technology as well as current military doctrine he develops a new rubric for guiding the military in modern warfare This book is the first to address the role of technology in counterinsurgency operations within operational tactical and strategic contexts Dust jacket

The Globalisation of Corporate Governance Adrian

Davies,2016-03-09 The structure of corporate governance has made significant progress in OECD countries but it remains imperfectly linked to the activities of many businesses Its advance on the global stage will be hesitant and slow until its practice in OECD countries is more consistent and convincing Weaknesses in corporate governance and law enforcement are impeding the investment needed to build the global economy to its full potential The Globalisation of Corporate Governance The Challenge of Clashing Cultures explores the challenges of making corporate governance effective for all participants in a global economy The tasks of o
