

How to use AI to build a
\$100/DAY
passive income stream

A man with a beard, wearing a blue denim shirt over a white t-shirt, is sitting at a desk in a modern office setting. He is looking at a silver laptop with an Apple logo on the back. To his left is a white cup of coffee on a saucer with steam rising from it. The desk also has a smartphone and some papers. In the background, there are large windows showing a cityscape at dusk. The room is lit with warm, ambient light from the ceiling. Overlaid on the right side of the image is a digital interface with a glowing blue border. Inside this interface, the text '\$100/day' is displayed in a bold, white font. The interface is surrounded by various icons and lines, suggesting a complex digital system or AI application.
