has led to nothing but heartache and isolation leaving him always on the outside looking in In their own ways both of them face the world alone Suddenly flung together Yumi and Painter must strive to right the wrongs in both their lives reconciling their past and present while maintaining the precarious balance of each of their worlds If they cannot unravel the mystery of what brought them together before it s too late they risk forever losing not only the bond growing between them but the very worlds they ve always struggled to protect Note from Brandon Even for a compulsive planner like me sometimes a story emerges like magic Unexpected unprompted You build an outline in days craft worlds during a compulsive daydream and develop characters with a burst of imagination like the brief flash of a firework That was Yumi and the Nightmare Painter for me The unanticipated story of two people who find one another May your dreams live as mine sometimes do **Harper's**
