**The Microeconomic Mode** Jane K. Elliott, 2018-06-26 From *The Road to Game of Thrones* across works as seemingly different as *Gone Girl* and *Saw* literature film and television have become obsessed with the intersection of survival and choice When the trapped rock climber hero of *127 Hours* is confronted with self amputation or death it is only a particularly blunt example of an omnipresent set up In real life settings or fantastical games protagonists find themselves confronting extreme scenarios with life or death consequences forced to make torturous either or choices in stripped down brutally stark environments Jane Elliott identifies and analyzes this new and distinctive aesthetic phenomenon which she calls the microeconomic mode Through close readings of its narratives tropes and concepts she traces the implicit theoretical and political claims conveyed by this combination of abstraction and extremity In the microeconomic mode humans isolated from any forms of social organization operate within a mini economy of costs and benefits gains and losses measured in the currency of life Elliott reads the key concepts that emerge from this aesthetic life interest sovereign capture and binary life in relation to biopolitics and natural law theory becoming and the control society and primitive accumulation in racial capitalism The microeconomic mode interrogates the destruction of the liberal political subject but what it leaves in its place is as disturbing as it is radically new Going beyond the question of neoliberalism in literature **The Microeconomic Mode** combines revelatory close readings of key literary and popular texts with significant theoretical interventions to identify how an aesthetics of choice has reshaped our contemporary understanding of what it means to be human

**Managerial Economics** William F. Samuelson, Stephen G. Marks, Jay L. Zagorsky, 2021-01-11 *Managerial Economics 9th Edition* introduces undergraduates MBAs and executives to the complex decision problems today's managers face providing the knowledge and analytical skills required to make informed decisions and prosper in the modern business environment Going beyond the traditional academic approach to teaching economic analysis this comprehensive textbook describes how practicing managers use various economic methods in the real world Each in depth chapter opens with a central managerial problem challenging readers to consider and evaluate possible choices and concludes by reviewing and analyzing the decision through the lens of the concepts introduced in the chapter Extensively updated throughout the text makes use of numerous extended decision making examples to discuss the foundational principles of managerial economics illustrate key concepts and strengthen students critical thinking skills A range of problems building upon material covered in previous chapters are applied to increasingly challenging applications as students advance through the text Favoring practical skills development over complicated theoretical discussion the book includes numerous mini problems that reinforce students quantitative understanding without overwhelming them with an excessive amount of mathematics

**Opportunity** Donald Morris, 2013-05-28 Donald Morris's *Opportunity* considers choices that promise a significant change in the life of the person making the choice Morris's survey of the literature is wide ranging in terms of both literary sources and topics considered

thus offering insights to a variety of readers Elizabeth R Eames Professor Emerita Philosophy Department Southern Illinois University Author of two books on Bertrand Russell s philosophy Can you recognize an opportunity when it comes your way Even though the concept seems fairly basic most people harbor regrets about missed opportunities that in retrospect might have significantly improved their lives This book will give you the critical tools to sort through the complexities that often obscure the perception of an opportunity and help you take full advantage of what author Donald Morris calls high end opportunities pivotal situations that can change your life for the better Morris begins by developing a model of opportunity in the abstract analyzing its elements and the contexts and frameworks that affect our recognition of opportunities Drawing from a wide range of applications including investing business law criminology gambling and even religion he shows how opportunities can be defined in various contexts He also examines highly undesirable situations where opportunity is lacking such as poverty and historical instances of slavery to further illustrate by way of contrast the defining characteristics of opportunity How does a significant opportunity differ from a simple option How does taking advantage of opportunities differ from being an opportunist Does our ability to predict the future affect our opportunities What do we mean by equality of opportunity By addressing these and other probing questions Morris shows how to develop more critical perceptions of real opportunities Donald Morris CPA Ph D is professor of accounting and chair of the Accounting Finance and CIS Department at Eastern New Mexico University The former owner of an accounting firm and a onetime instructor of philosophy he is the author of *Dewey and the Behavioristic Context of Ethics* *Nationalism and Ethnic Conflict, revised edition* Michael E. Brown, Owen R. Cote, Jr., Sean M. Lynn-Jones, Steven E. Miller, 2001-09-14 Understanding the roots and causes of ethnic animosity analyses of recent events in Bosnia Kosovo Rwanda Somalia and the former Soviet Union Most recent wars have been complex and bloody internal conflicts driven to a significant degree by nationalism and ethnic animosity Since the end of the Cold War dozens of wars in Bosnia Kosovo Rwanda Somalia the former Soviet Union and elsewhere have killed or displaced millions of people Understanding and controlling these wars has become one of the most important and frustrating tasks for scholars and political leaders This revised and expanded edition of *Nationalism and Ethnic Conflict* contains essays from some of the world s leading analysts of nationalism ethnic conflict and internal war The essays from the first edition have been updated and supplemented by analyses of recent conflicts and new research on the resolution of ethnic and civil wars The first part of the book addresses the roots of nationalistic and ethnic wars focusing in particular on the former Yugoslavia The second part assesses options for international action including the use of force and the deployment of peacekeeping troops The third part examines political challenges that often complicate attempts to prevent or end internal conflicts including refugee flows and the special difficulties of resolving civil wars

*Microeconomics* Paul Anthony Samuelson, William D. Nordhaus, 1989

*Markets, State, and People* Diane Coyle, 2020-01-14 A textbook that examines how societies reach decisions about the use and allocation of economic resources While economic research emphasizes the importance of governmental institutions for growth and progress conventional public policy textbooks tend to focus on macroeconomic policies and on tax and spend decisions Markets State and People stresses the basics of welfare economics and the interplay between individual and collective choices It fills a gap by showing how economic theory relates to current policy questions with a look at incentives institutions and efficiency How should resources in society be allocated for the most economically efficient outcomes and how does this sit with society's sense of fairness Diane Coyle illustrates the ways economic ideas are the product of their historical context and how events in turn shape economic thought She includes many real world

examples of policies both good and bad Readers will learn that there are no panaceas for policy problems but there is a practical set of theories and empirical findings that can help policymakers navigate dilemmas and trade offs The decisions faced by officials or politicians are never easy but economic insights can clarify the choices to be made and the evidence that informs those choices Coyle covers issues such as digital markets and competition policy environmental policy regulatory assessments public private partnerships nudge policies universal basic income and much more Markets State and People offers a new way of approaching public economics A focus on markets and institutions Policy ideas in historical context Real world examples How economic theory helps policymakers tackle dilemmas and choices

**Subject Guide to Books in Print** ,1996 New Perspectives on Keynes Allin Cottrell,Michael S. Lawlor,1995 Interest in John Maynard Keynes has increased significantly over the past decade with the publication of his collected writings increased access to his unpublished papers and the resulting explosion of secondary literature Responding to this renewed attention this collection brings together economists and historians of economics with scholars from philosophy and other related fields to reconsider Keynes s work and its legacy Several of these essays look at Keynes not simply as an economist but more broadly as a philosopher Special attention is directed to his views on aesthetics and moral philosophy as well as his contributions as a probability theorist The development of the Keynesian heritage is also considered How did Keynesian ideas become assimilated and domesticated into the mainstream of economic thought to the point of becoming dominant as the orthodoxy of the economics profession What was the relationship between postwar British conservatives Keynes s work and Britain s relative economic decline The archivist in charge of Keynes s papers provides an additional vantage point on Keynes s working methods and the broad range of scholars interested in his writings Finally all of the essays are followed by a responder s comments thus providing an exchange of viewpoints Contributors A W Coats Allin F Cottrell Jacqueline Cox William Darity John Davis Robert Dimand Peter Groenewegen Kevin Hoover Henry E Kyburg Jr David Laidler Michael S Lawlor Greg Lilly D E Moggridge R M O Donnell Kerry Pearce Jochen Runde Teddy Seidenfeld J D Tomlinson
