Midnight Sun A Novel:

Midnight Sun Stephenie Meyer, 2020-08-04 Relive the passion and thrill of the New York Times bestselling Twilight Saga romance with this highly anticipated companion retelling the iconic love story of Bella and Edward from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, *Midnight Sun*. This unforgettable tale, as told through Edward's eyes, takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life: How can he justify following his heart if it means leading Bella into danger? In *Midnight Sun*, Stephenie Meyer transports us back to a world that has captivated millions of readers and delivers an epic novel about the profound pleasures and devastating consequences of immortal love. Praise for *The Twilight Saga*: This tale of tortured demon lovers entices Kirkus Reviews. In the tradition of Anne Rice, this dark romance is gripping. Experience a different kind of sweet agony as Edward has to navigate the world of the mortals, a fragile world full of delicate individuals which, however, can still be threatening even to a creature of myth and power. Edward's journey as he meets Bella and struggles to overpower his predatory nature seeks to answer exactly that.
