Pitch Invasion Karen Dobres,2025-07-31 Karen Dobres never expected to fall for football let alone help revolutionise it In Pitch Invasion Karen shares her hilarious and heartfelt journey from someone who always zoned out when bloody football was on the telly to becoming a Director at Lewes FC the first football club in the world to pay its women and men players equally In 1994 Karen could barely sit through a match at Wembley Fast forward to 2023 and she s introducing multi million pound deals for the women s team of her local club How does a trained counsellor and former catwalk model end up navigating the male dominated world of football And how did she turn her imposter syndrome into a tool for change With bisexual pirates vegan snacks and even a designated breastfeeding area Lewes FC is no ordinary football club It s a pioneering force for equity inclusion and innovation Through Karen s witty self deprecating storytelling Pitch Invasion gives readers an insider s view of the quirky yet revolutionary culture at Lewes FC From organising Suffragette flash mobs to introducing Prosecco on tap at the stadium Karen brings to life her experiences at this fan owned debt free gender equal club where everyone from local supporters to pop stars helps shape the future of the game From 2017 when women s football was still fighting for recognition to the present day Pitch Invasion is the story of how one woman helped lead the charge for gender equality challenging football s entrenched hegemony not just for one club but across the UK **Woman's Home**

Silva Lima-Neves,2024-05-15 In the last thirty years there has been a shift in the Cabo Verdean community in the ways it perceives itself ethnically and racially in the creation of opportunities for socio economic mobility and in the pursuit of new migratory patterns within the United States to take advantage of these opportunities Existing scholarship on the historical and contemporary experiences of Cabo Verdeans in the US has been hyper focused on racial and ethnic identities neglecting the space for Cabo Verdeans to share their stories which makes this collection unique Cabo Verdeans in the United States Twenty First Century Critical Perspectives edited by Terza A Silva Lima Neves centers Cabo Verdean stories as told by Cabo Verdeans to explore community building and challenges in the twenty first century The contributors examine questions of solidarity loss of innocence and what it means to live authentically and exist intentionally in safe spaces They offer critical reflections on traditional cultural gender norms and they discuss the intersections of cultural stigmas mental and physical health and access to care Using interviews and personal experiences the contributors challenge existing Cabo Verdean scholars to see the value in documenting their experiences and contributions in the United States *Missions* Howard Benjamin Grose,1922 **Catholic Missions and Annals of the Propagation of the Faith** ,1928 Foreign Missions Year Book of North America ... women's Black Power leadership legacies Academics and popular commentators have expressed common sentiments about the Black Power movement of the 1960s and 1970s that it was male dominated and overrun with autocratic leaders Yet women's strategizing management and sustained work were integral to movement organizations functioning and female advocates of cultural nationalism often exhibited a unique service oriented collaborative leadership style Essential Soldiers documents a variety of women Pan African nationalists experiences considering the ways they produced a distinctive kind of leadership through their devotion and service to the struggle for freedom and equality Relying on oral histories textual archival material and scholarly literature this book delves into women's organizing and resistance efforts investigating how they challenged the one dimensional notions of gender roles within cultural nationalist organizations Revealing a form of Black Power leadership that has never been highlighted Kenja McCray explores how women articulated and used their power to transform themselves and their environments Through her examination McCray argues that women's Pan Africanist cultural nationalist activism embodied a work centered people centered and African centered form of service leadership A dynamic and fascinating narrative of African American women activists Essential Soldiers provides a new vantage point for considering Black Power leadership legacies
