Dr Richard Palmer, Richard Palmer, 2003-09-02 A new edition of a highly successful study skills book. The style and approach is particularly suited to current student needs as the author stresses the importance of adopting a positive response to study. The lively and enthusiastic tone and the practical advice on everything from planning revision to designing CVs gives this book enormous appeal to all from A level to mature students. *Cambridge Business English Dictionary* Roz Combley, 2011-11-10 The most up to date business English dictionary created specially for learners of English. **Resources in Education**, 1997-05 *Bowker's Complete Video Directory 2001*, 2001 **The New English Weekly**, 1937 The Laziness Myth Christine Jeske, 2020-12-15 When people cannot find good work can they still find good lives? By investigating this question in the context of South Africa where only 43 percent of adults are employed, Christine Jeske invites readers to examine their own assumptions about how work and the good life do or do not coincide. The Laziness Myth challenges the widespread premise that hard work determines success by tracing the titular laziness myth, a persistent narrative that disguises the systems and structures that produce inequalities while blaming unemployment and other social ills on the so-called laziness of particular class, racial and ethnic groups. Jeske offers evidence of the laziness myth's harsh consequences as well as insights into how to challenge it with other South African narratives of a good life. In contexts as diverse as rapping in a library, manufacturing leather shoes, weed whacking neighbors' yards, negotiating marriage plans, and sharing water taps, the people described in this book will stimulate discussion on creative possibilities for seeking the good life in and out of employment in South Africa and elsewhere. **Literary Digest**, 1919 *Resources in Education*, 1997 **The Software Encyclopedia 2001**, 2001 **Industrial Arts Index**, 1923 **Digest; Review of Reviews Incorporating Literary Digest**, 1919 **The Encyclopedia of Career Change and Work Issues** Lawrence K.
