Normal Christianity Jonathan Welton :

Normal Christianity Jonathan Welton,2011-09-20 Jesus and the Book of Acts are the standard of Normal Christianity Remember the fad a few years ago when people wore bracelets reminding them What Would Jesus Do Christians state that Jesus is the example of how to live yet this has been limited in many cases to how we view our moral character When Christians tell me that they want to live like Jesus I like to ask if they have multiplied food healed the sick walked on water raised the dead paid their taxes with fish money calmed storms and so forth I typically receive bewildered looks but that is what it is like to live like Jesus Perhaps we are ignoring a large portion of what living like Jesus really includes While I agree that we are to live like Jesus Those who say they live in God should live their lives as Jesus did 1 John 2:6 NLT I am also aware that the application of Jesus model has been minimized to something that can be accomplished by living a moral life Many Christians believe that they can live like Jesus without ever operating in the supernatural After reading in the Bible about all of the miracles He performed does that sound right to you Excerpt from book New Covenant Culture Jonathan Welton,2017-11-21 Walk in the Power of Your New Covenant Inheritance Even though many Christ followers claim to have received the New Covenant salvation in Jesus they are not yet experiencing the fullness of their New Covenant identity In New Covenant Culture Jonathan Welton presents a Kingdom manifesto calling every follower of Jesus into *Gospel Without Borders* Jim Rotholz,2015-03-04 To what degree does culture facilitate or distort the Christian faith the gospel of Jesus and the life of the church In America the distortion is enormous *Gospel Without Borders* carefully examines the complex intersection of culture and faith in America providing insights that allow for better understanding and a more genuine experience of biblical and historic Christianity *Gospel Without Borders* analyzes the formative and interactive roles that human nature and cultural history play in contemporary expressions of Christianity in America It outlines their profound but little appreciated influence upon the shape and scope of Christian faith within society at large the church and the lives of individuals The study illuminates the dimensions of a largely unheralded gospel message characterized by unimpeded faith that fully accords with the kingdom Jesus stridently proclaimed It outlines the dimensions of faith freed from the disappointing forms of culturalized Christianity that always prove insufficient on a personal level and woefully inadequate to the demands of contemporary life within our globalizing world Today's world can only be effectively impacted through a gospel without borders a compelling gospel most Americans have yet to hear and too many Christians of every cultural and denominational background have yet to fully embrace **The Physics of Heaven** Judy Franklin,Ellyn Davis,2015-09-15 Some of the most influential and prophetic voices of the Spirit empowered movement have joined together to help you start hearing the sounds of heaven and discover how natural elements sound light energy vibration and even quantum physics are supernaturally bringing Heaven to Earth Featuring contributions from Bill and Beni Johnson Larry Randolph Jonathan Welton Bob Jones Cal Pierce David Van Koevering and Ray Hughes *The Physics of Heaven* features revelatory segments such as
