Hyatt,1999     The Biblical

Guidebook to Deliverance Randy Clark,2015-04-07 ACCESS GOD S SUPERNATURAL POWER AND AUTHORITY TO DEFEAT THE DEVIL Many people are unconsciously living in bondage Marriages are failing drugs are rampant pornography is everywhere and even Christians have given up on God the church and themselves The Biblical Guidebook to Deliverance provides you with the supernatural power and authority to fight your battles and be free from oppression Full of scriptural yet practical teaching this book will help you learn how deliverance was part of Jesus s ministry in the New Testament and how you have access to the same power enabling you to live free from the chains of sin No matter what situation you are going through God will give you His grace so that you can rejoice in freedom and live in the fullness of life that He intends for you     **Last Stone Standing** Maxwell Graham,2012-03 The focus of Christianity is Jesus Christ yet for many he has been

displaced by focusing on religious practices that were unknown to the early church The question is Why If a time travelling first century Christian visited a church service today he would immediately recognize most of what we do However he would recognize it as part of the pagan world that he as a Christian had been called out of He would probably turn tail and head for the exit while thanking Jesus that he no longer needed any of that We on the other hand do connect all these things to our Christian experience in the twenty first century Where we have a problem is in seeing how they connect to the church of the first century That is why this book is subtitled Why Do We Do It The Way We Do Against a backdrop of world events from the earliest days to the present Last Stone Standing lays out how the church came into being and how many of the accepted practices of today became entrenched within it     *The Spiritual Gifts Blueprint* Andy Reese,2023-09-12 Are You Doing What God Created You to Do Can you identify your spiritual gifting or understand God s purpose for your life If you can t confidently answer yes you re not alone Yet there is a simple biblical framework to finding your God given gifts and finding His purposes for your life and it leads to a relationship with the Trinity you never imagined Offering clear explanations and

biblical depth veteran ministry leader Andy Reese offers a fresh and practical blueprint to Paul's teachings on spiritual gifts and God's intended spiritual connection to the Trinity including how to simply discover your unique gifting and use it to impact others see your God intended purposes come to life in amazing ways connect intimately with Jesus and the Father experience the Holy Spirit and His working within and through you Your gifts are not defined by your job or talents It's time to discover why you were created and experience a deeper relationship with the One who created you Includes hands on assessments

*Ice On Fire* Scott Kelso, **2000 Years of Charismatic Christianity** Eddie L Hyatt,2021-03-18 This Study Guide is the companion to the textbook 2000 Years of Charismatic Christianity which is used as a textbook in colleges and seminaries around the world

**The Doctrine of the Holy Spirit** Yacob Godebo,2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit's presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha

*The Man God Shook* Kenneth C. Rowley,2018-06-12 Nothing gives significance and purpose more than developing intimacy with God That is why this book *The Man God Shook* can be dynamic in your journey I love reading this brilliantly written book the honesty of the pastor the struggles he endured being physically shaken for years and his coming out the other side in the presence of God Kent Parker Oh wow so many points I loved it all Scripture notes from other pastors personal stories step by step to get to certain ideas so many things touched me I can't give just one detail I like the way it was all joined together Amazing Judy Treherne I was around when God shook the man What I remember the most is bringing a man that was addicted on crack cocaine in the front door of the church for deliverance The shaking man laid eyes on him and immediately the Power of God blazed through him and the addict fell and was so plowed by the Holy Ghost that he literally could not stand up It was sooo powerful and awesome He would try to get up and could only crawl on his hands and knees while drunkenly say we're having church and it's not even Sunday What a POWERFUL deliverance I shall never forget

it That man left set free from addiction Brenda Reed *Charisma and Christian Life*, 2004 *Christ for the Nations* Christ for the Nations, Inc, Dennis Lindsay, 1998 *Stewards of God's Grace* Siegfried Grossmann, 1981 A study of the charismatic movement **Floods Upon a Dry Ground** Charles Schmitt, 1998 Do you really know the history of the Church through the ages This book may surprise you Charles P Schmitt pastor of Immanuel s Church in the Washington D C area gives an inspiring and thought provoking history of the Church from a charismatic perspective History is not finished yet and neither is God Rediscover your roots and learn how the current rivers of renewal and revival fit into God s great plan for this world

**Spirit of the Last Days** Peter Althouse, 2003 Early Pentecostals proclaimed the restoration of the charismatic gifts as a sign of the imminent coming of Christ This eschatology was later marginalized by the rise of fundamentalist dispensationalism Today Pentecostal eschatology is being revised to include a more transformative view of the kingdom This book proposes a further revision of Pentecostal eschatology created to recover prophetic elements of early Pentecostalism that invite a responsible social engagement in the world and to overcome fundamentalist assumptions which have crept into Pentecostal theology in it s middle years To this end the eschatological thought of selected Pentecostal theologians is placed in dialogue with Jurgen Moltmann This dialogue critiques fundamentalist tendencies within contemporary Pentecostalism by advocating a theology more open to history and creation and a Pentecostal ethic both personal and social in scope
