Commentary for Academic Writing for Graduate Students John M. Swales,Christine B. Feak,2004 Companion volume to Academic writing for graduate students 2nd ed *Academic Writing for Graduate Students* John M. Swales,Christine B. Feak,2004 New material featured in this edition includes updates and replacements of older data sets a broader range of disciplines represented in models and examples a discussion of discourse analysis and tips for Internet communication The Graduate Students' Guide to Theses and Dissertations George Richard Allen,1973 Answers questions on such academic problems as selecting a topic acquiring a research committee collecting and analyzing data and defending the final thesis **The Graduate Student as Writer** Shuyi Chua,2019-06-28 When is it the best time to publish What are drafting and freewriting and why are they important Do you need to be very knowledgeable to publish Why are some students more successful in publishing than others Why am I afraid to write These are some questions that you will find answers to in *The Graduate Student As Writer Encouragement for the Budding Scholar* As graduate students you may feel the pressure to write and publish You may compare yourselves to peers who have already published Or you want to improve your chances of finding an academic position after graduation However the process of writing and publishing is not

straightforward and seldom discussed amongst students leaving many to stumble along and figure things out alone If you are looking for some heart to heart talk from one graduate student to another on the mindset skills and process that are needed for effective and efficient writing and publishing this book is for you This book simplifies the writing process into four stages Drafting Feedback Rewriting and Editing It maintains that a graduate student is not merely training to be an academic but is also a writer and artist It also addresses misconceptions about writing that can hinder your progress such as thinking that you must have it all together before you can begin This book is written with the graduate student from a Social Science field in mind but students of all fields will find its contents applicable If you feel discouraged that you re not making progress in your writing this book with chapters in bite sized readings will encourage you and give you insights into your fears and inspiration to uplift you Chapters of the book include Writing as a Tool Begin Writing at Every Stage of your Graduate Studies Start Small Wherever You Are Fear of Feedback and Value and Enjoy the Process Not Just the Outcome

In Our Own Voice Tina LaVonne Good,Leanne B. Warshauer,2008 Written by teaching assistants for teaching assistants In Our Own Voice offers a wealth of first person narratives by graduate students on the front line about subjects as conceptually challenging as politics in the freshman composition classroom the issue of authority

in the classroom and the debate about personal vs formal academic writing and as nitty gritty as responding to student papers and correcting grammar

Writing a Graduate Thesis or Dissertation Lorrie Blair, 2016-01-01 Like a series of productive meetings with a trusted advisor each chapter of this text provides practical information and sound insight thoughtfully organized and generously shared A uniquely inclusive consideration of the process of graduate research this is the companion that graduate students crave Attentive to the academic issues and personal trials that often accompany thesis writing in the arts humanities and sciences Lorrie Blair offers a guide that is comprehensive and clear sensitive to the distinctions among fields and sympathetic to the various ways that the process can confuse and confound scholars in the making

Dr Christine Marm Thompson Professor of Art Education School of Visual Arts Pennsylvania State University

Dr Lorrie Blair's book is a valuable resource for every graduate student who needs to write a thesis Filled with practical advice this book covers the basics including differentiating between the various thesis formats preparing the proposal writing the literature review choosing a methodology collecting and analyzing data and defending the thesis The book also deals with the many interpersonal issues important to graduate students including finding the right supervisor and dealing with problems that might arise between students and supervisors The book presents sound advice regarding how to establish an academic track record by presenting research at conferences and publishing journal articles Finally the book is an excellent resource on the important issues of academic integrity and research ethics For graduate students it's common to feel overwhelmed when writing a thesis Dr Lorrie Blair provides a much needed book for students pursuing a graduate degree

Writing A Graduate Thesis or Dissertation is a comprehensive guide to the stages of working through the rigors of writing and defending a graduate degree from the initial stages of choosing a thesis topic and supervisor right through to the defense of the work Each chapter can be consulted separately or the whole book read to give a wide ranging understanding of the issues most pertinent to writing and defending a thesis This book provides something for everyone involved in that process Both graduate students and their supervisors will find this a refreshing and thorough collection that addresses the topic across a wide range of disciplines I wish this book had been available during my 30 years as a University Professor With almost 100 graduate students supervised I know that there are particular topics like plagiarism how to conduct a literature review and ethical issues that are important for students to really understand as they begin their research and writing The chapters on research methodology are clear and written to give access to a number of questions that students ask when trying to decide on how to conduct their research and strategies to help make their thesis a reality This book is a highly readable informative and welcome addition to academic literature

Dr Kit Grauer Professor Emerita Department of Curriculum and Pedagogy The University of British Columbia

Dr Lorrie Blair's complex yet thoughtful and accessible account of the graduate research experience and thesis dissertation writing process resonated strongly with my recent experience as a PhD student This book provides a detailed well structured pragmatic guide to navigating the thresholds of graduate work

which reflects the author's many years as an extremely well respected professor teacher mentor Academic Writing for Graduate Students John Malcolm Swales, Christine B. Feak, 1994 *The Grad Student's Guide to Getting Published* Alida Allison, Terri Frongia, 1992
