Titus De Silva, PhD

Essentials Of Business Communication 9th Edition Answer Key Pdf:

Business Management Essentials from Modern and Buddhist Perspectives Titus De Silva, PhD, 2026-04-23 Business Management Essentials from Modern and Buddhist Perspectives presents a holistic approach to management by combining contemporary business functions with Buddhist teachings that have sustained the Buddhist community for over 2 500 years The book uniquely covers 17 business functions through both modern and Buddhist perspectives featuring 112 citations from the original Pali canon and 30 verses from the Dhammapada Unlike other works on business and Buddhism it specifically draws from the Theravada tradition that originated during Buddha s time avoiding inaccuracies found in other texts while using illustrative stories to demonstrate how poor management decisions can lead to failures This distinctive work stands apart from previous books on business and Buddhism by providing in depth analysis of individual business functions rather than general principles offering organisations a path to develop management systems based on ethical and moral principles Each chapter methodically demonstrates how Buddhist practices can enhance business effectiveness creating mutual benefits for businesses and all stakeholders including employees customers shareholders suppliers communities and governments ultimately promoting organisational systems that contribute positively to humanity while ensuring business survival in today s competitive environment

Library and Information Center Management Barbara B. Moran, Claudia J. Morner, 2017-11-16 This essential single volume textbook supplies a comprehensive introduction to library management that addresses all the functions of management specifically within the ever evolving modern library environment Strategic planning Facilities management Leadership ethics communication and motivation Human resources and staffing Change library development and innovation Marketing Measurement and evaluation Fiscal responsibility and control These are just some of the wide range of responsibilities and necessary skills of contemporary library managers not all of which are typically covered in detail in LIS educational programs Now updated and expanded for its ninth edition Libraries Unlimited s Library and Information Center Management is the core management text for library information science programs This latest text adds new information on grant writing as well as more about budgets marketing financial management assessment and evidence based management The authors include various real world examples from international settings to help readers understand and conceptualize the place of the library and information center in our global world Each chapter ends with two helpful sections that present numerous examples and opportunities to apply newly gained information Practice Your Skills and Discussion Questions
