How to Make Someone Fall in Love with You Mohammed Djalout,2021-06-22 Sometimes we meet someone and know right away it s love Best view of the first stage of the show Steps Method 1 of 6 Being kind take care of yourself Physical appearance plays a huge role in attracting others People immediately realize how much you care about your health and your appearance so it is worth spending more time and energy when trying to attract someone People will realize that you are not taking care of yourself and that may end someone s interest To get the best possible physical appearance do physical activities eat well maintain good hygiene habits and wear clean clothes that fit your body Method 2 of 6 Prepare for emotional obstacles Don t pretend you misunderstood Many people do this Pretending that you don t care or that you care about the relationship doesn t help and makes the other person feel like a burden Showing disinterest does not work Method 3 of 6 Develop a connection Get to know the person better The first step is getting someone to get to know them better and letting them get to know you better Meeting someone takes time and energy because you will have to ask the right questions and know how to listen carefully Ask her what she wants to be a child and what she dreams of doing now This way you will know this person s hopes and dreams as well as other things to expect from life Ask about interests hobbies goals likes and dislikes Method 4 of 6 Loving your partner Respect him Respect is very important in a love relationship Always give your loved ones opportunities to speak up and express their opinions and when they do speak listen carefully Respecting your loved one means not giving them reasons to suspect that you are being unfaithful Flirting with others is fun but if she sees you flirting with everyone walking down the street she will never want to commit to you Method 5 of 6 Keep the person in love Appreciate your partner Never underestimate him If a person falls in love with you it will take an effort to keep the love alive The best way to keep someone in love is to never stop appreciating them Every day show how much you appreciate it For example give thanks whenever your loved one does something good for you It is important that the thanks be honest and specific such as Thank you for saving the dishes and making breakfast This made my day so much easier I was so happy Method 6 of 6 Starting a novel I am looking for the right person Finding the right person will greatly increase your likelihood of falling in love being reciprocated and staying in love The chosen one must be ready for a serious relationship be able to handle the emotional stress of a love relationship and be compatible with you If he doesn t meet these requirements you are

just wasting time and you may end up hurting yourself Think about compatibility do you like the same things Do they have the same life goals People who make good husbands tend to approach drama in a similar way and prioritize the same things in life **How to Make Anyone Fall in Love with You** Leil Lowndes,1997-09-22 Here from bestselling author Leil Lowndes is a surefire guide to love for anyone seeking romantic bliss In *How to Make Anyone Fall in Love with You* readers will find 85 techniques based on scientific studies regarding the nature of love including Finding potential love partners Making an unforgettable first impression Dodging love bloopers Establishing sexual rapport By using these pragmatic down to earth strategies anyone can turn new or casual relationships into lasting ones or make current relationships deeper
