

# How to Solder - Basic Soldering Guide

Soldering is process of joining two metals together with soldering iron by the use of a solder to form a dependable electrical joint.

This is a basic soldering guide for beginners about hand soldering with a soldering iron. I hope that it will be good help for most of your DIY projects from electronics. If you are experienced in soldering, your comments are welcome in "comments" area. In this instructable I will cover the following topics:

- safety precautions before we start soldering operation
- choosing appropriate soldering iron and solder
- preparing for soldering
- soldering
- inspection of solder joints
