I Have Life Alison Botha:

I Have Life Alison, Marianne Thamm, 1998 Follows the story of Alison who survived a violent rape attack in Port Elizabeth
I Have Life Marianne Thamm, 2016-06-01 The triumphant story of a woman who refused to become a victim Like an apparition conjured out of the darkness a young man with light blond hair pushed his face into the car I immediately spotted the knife It was a long thin weapon almost like a letter opener with a tapering blade It felt cold and spiny as he pressed it to my neck When he spoke his voice which was quiet and controlled sounded as though it emanated from a distant planet But every word thudded into my skull Move over or I ll kill you he whispered And so began Alison s nightmare journey with the two callous killers who were to rape her stab her so many times doctors could not count the wounds slit her throat and leave her for dead in a filthy clearing miles from the city of Port Elizabeth which was her home But Alison defied death And more than that she denied her attackers the satisfaction of destroying her life I Have Life is the triumphant story of a woman who refused to become a victim The courage which allowed her to move beyond severe physical and emotional trauma and to turn a devastating experience into something life affirming and strong is an inspiration to people everywhere

Remembering: the Soul of You Meyrene Cowell, 2021-10-27 In 1998 someone asked me to contemplate the question Who am I When I removed all the labels such as daughter wife mother and teacher and then even my name too I realised how vulnerable I was I wondered what was left of me That was the catalyst that began my search for the Greater Me my eternal Spirit self As I searched listened and read I gained new belief systems that were wider than religion and more liberating than my social conditioning The greatest freedom came though when I finally understood the language of symbols especially those used in the ancient Marseilles Tarot Pack I spent almost twenty years exploring the blueprint of the archetypes that are embedded in these cards Each of the 22 major arcana cards took me on a deep souljourney towards consciousness knowledge and a change of heart What I discovered was that I am more than I could ever have imagined and so are you When we become conscious of painful and inhibiting beliefs that no longer serve us we begin a journey into loving acceptance of self and others too **Teaching for Change** L. Juliana Claassens, Charlene van der Walt, Funlola O.

Olojede, 2019-03-13 Contributors from various theological higher education institutions in South Africa and beyond come together to reflect on the best pedagogical practices to teach on often complex issues of gender sexual orientation race and class and on how they impact on health in our classrooms in our churches and in the communities where we live and work
