Live Love Beyond and Above Savita Dhutti, 2021-01-23 Live Love Beyond and Above To exist is not the same as to live Without stopping and pausing to feel the emotions we don't perhaps live our life When we don't cherish what we have we feel unhappy and that's the reason we are always on the lookout for happiness It's not that we never found happiness but because we didn't pause to enjoy it perhaps Many a times we have other emotional experiences and thoughts as well There are some people in everyone's life so caring and supporting and some who are simply busy in trying to bring one down That's life I have always been penning down all the waves experienced by my heart and mind as poems It is so soothing and stress relieving It has always boosted my strength levels Out of all these emotions experienced Love is the deepest of all It is the most beautiful feeling in this world I have chosen to live my life with all the love gathered from my surroundings shrugging off all the negativity that ever came in my life

Beyond The Beyond Emanations Of Love Esther Scharf, 2006-03-28 The Process While sharing my writing on the Hebrew letter Lamed with my husband Max who is a fine art painter we came up with an idea Max was beginning to form some images in his mind from the reading What if when he read my prose poetry he would set to canvas the imagery creating a fine art painting We both liked the idea and that was the beginning of this book We continued the same process with each letter The beauty of nature and the interplay of light and motion have always inspired Max His paintings express the energy in the universe and as he states are filled with his soul My writing speaks to the beauty in our lives and the light of God's presence which guides us to be our best selves and live from our purest and holiest soul So the process that developed was a natural progression expressing our innermost feelings through our complimentary creative venues This was the beginning of a two and one half year process that stimulated an intimacy between us that brought us to a new level of creativity Working together became an interactive and integrative experience both on the level of the power of the Hebrew letters and the love between us and God We are excited to present this unique collaboration to you and hope you are touched by the power and meaningful essence of the Hebrew Letters of Creation Esther Scharf
