Compan 12ct J Dever,G Chalk,1988-04-01 **Lone Wolf** August Hahn,2003-10 Readers of the Lone Wolf series were launched into an odyssey spanning 28 game books 12 novels and countless related works The hero for most of that work was Lone Wolf a Kai Lord and the readers alternate identity when traveling through the complex and often lethal world of Magnamund The last survivor of the Kai it was his self appointed duty to seek vengeance for the deaths of his brothers and sisters Through it all readers of the Lone Wolf game books followed along with every step every sword blow and every use of his incredible powers This book is the definitive guide to the world of Magnamund and the many roleplaying possibilities it provides If you can imagine an adventure it awaits you somewhere on the face or in the dark caverns of Magnamund There is a gazetteer section with maps images and detailed descriptions of the many realms that make up Magnamund Notes on cultures monsters and the inevitable dangers of the land will be at your fingertips The gazetteer will also provide Games Masters with statistics for dozens of terrible beasts and vile henchmen to throw at those foolish enough to oppose the rise of the Darklords What you will not find in these pages are overly complicated or burdensome rules The combat of Lone Wolf is quick and simple with greater emphasis placed on the descriptions and action of titanic conflict rather than the dice rolls involved The real battle should be against the Darklords not the rules involved to doing so The basic rules of Lone Wolf are just that basic They provide the foundation for all action in Magnamund without getting in the way of the saga that is your campaign **The Huntress** Jonathan Stark,2025-12-26 Many centuries ago there was an island known as Voltac a place of learning where it is said sickness and sorrow had been defeated Then Naar destroyed the island forever creating in its place the Dessi Trench It is a place that no one dares to sail but for you it is the one place you can find the truth of who you are In ECHOES OF ETERNITY the final book of The Huntress trilogy questions long asked may at last be answered But tread lightly for in uncovering your past you may unearth a betrayal thousands of years in the making How the story ends is up to you will
