Tamil Nationalism in Sri Lanka A.R. Rajah,2022-10-31 This book examines Tamil nationalism in Sri Lanka and provides insights on how Tamil nationalism has survived the destruction of the Tamil Tigers after May 2009 and continues to thrive despite the absence of a charismatic leadership to lead it or a centralised organisation to mobilise the Tamils along ethnic nationalistic lines The ethnic nationalist ideology shaped up by the Tamil Tigers continues to remain the driving force of the Tamil polity in Sri Lanka and the Diaspora Using a Foucauldian counter historical theoretical framework the author analyses and offers answers to these questions What is keeping Tamil nationalism alive despite the demise of the Tamil Tigers over a decade ago Why do many Tamils in Sri Lanka and abroad refuse to accept a Sri Lankan political identity How are Tamils able to continue on a nationalist path despite the absence of a unified political leadership The book argues that Tamil nationalism has survived the latter s destruction because it has become counter historical It is this that has allowed despite the internecine rivalries between Tamil political parties and Diaspora groups the Tamil nationalist spirit to remain alive The author also suggests that counter history has for many Tamil political parties and Diaspora groups become the means of waging war other than through an armed struggle against the Sri Lankan state Based on field research interviews and documentary analysis the book provides empirical and unique insights on Foucault s thesis that power is multifaceted and can function in the absence of centralised mechanisms This book will be of interest to researchers in the fields of Politics and International Relations in particular those working on ethnic nationalism post armed conflict peacebuilding conflict resolution the politics in Sri Lanka diaspora politics and Foucault

Writing Tamil Catholicism Margherita Trento,2022-05-02 In Writing Tamil Catholicism Literature Persuasion and Devotion in the Eighteenth Century Margherita Trento explores the process by which the Jesuit missionary Costanzo Giuseppe Beschi 1680 1747 in collaboration with a group of local lay elites identified by their profession as catechists chose Tamil poetry as the social and political language of Catholicism in eighteenth century South India Trento analyzes a corpus of Tamil grammars and poems chiefly Beschi s T mp va i alongside archival documents to show how by presenting themselves as poets and intellectuals Catholic elites gained a persuasive voice as well as entrance into the learned society of the Tamil country and its networks of patronage This project has received funding from the European Union s Horizon 2020 research and innovation programme under the Marie Sk odowska Curie grant agreement No 840879
