

## IMPERIALISM

We have already studied Imperialism as a foreign policy – when a stronger, more powerful nation takes over a weaker nation either militarily or economically. But did you know imperialism (and colonialism, as well) led to fierce competition between powerful nations? European powers often found themselves desiring the conquest of the same places – and this led to wars! Closer to home, you might consider the United States' war with Spain, which took place exclusively in Spain's colonies, Cuba, the Philippines, and Puerto Rico, not in the United States or Spain.
