With Coloured Illustrations** Lewis Wright,1873 The Ascent of Vishnu and the Fall of Brahma Swami Achuthananda,2018-08-27 According to Hindu mythology Brahma has a lifespan of 100 years That may appear way short for a god of Brahma s standing He is the creator of our solar system But Brahma and Hindu gods do not follow our traditional 24 hour clock They represent time in cosmic units of yugas and kalpas If you don t understand any of these terms that s ok A kalpa for instance is defined as a day of Brahma and translates to 4 32 billion human years In fact Brahma has a lifespan of 311 trillion years We explain these colossal timescales as we introduce Brahma in this book You will learn that Brahma initially was the supreme deity of Hinduism but he could not hang on to his position for long A judgmental lapse is said to have caused his downfall With Brahma s descent Vishnu rose to power Today in the Hindu pantheon Vishnu is a prominent god and has a following of more than 700 million devotees who are occasionally identified by the U shared marks on their foreheads With a focus on Vishnu and Brahma we continue our journey beyond the Vedic era We begin by examining a popular creation myth in which Brahma emerges from the navel of a sleeping Vishnu and starts crafting the world Further on we explore the churning of the milky ocean a crucial event in Hindu mythology and one of the rare occasions when gods and

demons collaborated instead of fighting to search for the nectar of immortality Many precious things and surprises came out this quest including Lakshmi the goddess of wealth and consort of Vishnu We also get to know a critical insight into our ancestry According to Hinduism we are all related and descendants of Manu the father of human race While this book focuses on Brahma and Vishnu there will be occasional detours when we pause to look at art and architecture In particular we ll look at Angkor Wat the largest Hindu temple in the world Guess what The fact that Angkor Wat is located outside India has dented Hindu pride from time immemorial We ll also peek at ancient paintings from a mythological perspective especially the unique genre of miniature paintings called ragamala that combines art music and poetry A remarkable shift in worship took place during this period Bhakti became a major form of worship and pervaded Hindu society forever If you are unfamiliar with bhakti then nothing exemplifies bhakti devotion more than the dancing and chanting Hare Krishnas

Brahma-mīmāṃsā Series ,1965 The Thirteen Principal Upanishads Robert E. Hume,1921 **Journal of the American Oriental Society** ,1881 List of members in each volume *Sri Ramakrishna, in the Eyes of Brahma and Christian Admirers* Nanda Mookerjee,1976 *Lists of the Antiquarian Remains in the Presidency of Madras* ,1882 **A Prose English Translation of Agni Puranam** Manmatha Nath Dutt,1904 The Land of the Veda William Butler,1906

The writer trusts that these pages may encourage and strengthen the faith of God s elect in that almighty Power which even in the idolatrous and conservative East is so manifestly subduing all things unto Himself Here may be discerned the dawn of that day so long foretold when all Oriental races shall be blessed in a Redeemer who was himself Asiatic by birth and blood and the sphere of His personal ministry whose cross was erected on that continent and whose first ministers and members were taken from among that people The writer has not concealed his conviction that human history and the movements and changes of thrones and powers and kingdoms can be fully understood only in the light of the doctrine of the Second Psalm Jesus Christ the divine and eternal Son of God who created and redeemed this world is its Master and Lord Preface
