*Plural Masculinities* Sofia Aboim, 2016-04-22 *Plural Masculinities* offers a contemporary portrait of the plural dynamics and forms of masculinity emphasizing the multiple even contradictory pathways through which men are remaking their identities Proceeding from the premise that it is impossible to fully understand masculinity without considering its connection with family change and women's change it places men and masculinities within the realm of family life examining men's practices and discourses in their relationships with women and their changing femininities Combining an empirical study based in Portugal with cross national analyses of attitudes towards ideal gender arrangements in Europe and the USA this book examines the various ways in which men come to define their identities and will appeal to those working in the fields of masculinities gender studies and the sociology of the family **Economic Series**, 1926 Current Literature, 1888 *Current Literature* Edward Jewitt Wheeler, 1888 **The Inlander**, 1898 **Daughters of the Great**

**Depression** Laura Hapke, 1997-01-01 *Daughters of the Great Depression* is a reinterpretation of more than fifty well known and rediscovered works of Depression era fiction that illuminate one of the decade's central conflicts: whether to include women in the hard pressed workforce or relegate them to a literal or figurative home sphere. Laura Hapke argues that working women from industrial wage earners to business professionals were the literary and cultural scapegoats of the 1930s. In locating these key texts in the don't steal a job from a man furor of the time, she draws on a wealth of material not usually considered by literary scholars, including articles on gender and the job controversy, Labor Department Women's Bureau statistics, true romance stories, and fallen woman films, studies of African American women's wage earning, and Fortune magazine pronouncements on white collar womanhood. A valuable revisionist study, *Daughters of the Great Depression* shows how fiction's working heroines, so often cast as earth mothers, flawed mothers, lesser comrades, harlots, martyrs, love slaves, and manly or apologetic professionals, joined their real life counterparts to negotiate the misogynistic labor climate of the 1930s.
