*Christ in Concrete* Pietro di Donato, 2004-09-07 Giving voice to the hardworking Italian immigrants who worked lived and died in New York City shortly before the Great Depression this American classic ranks with Steinbeck's *The Grapes of Wrath* as one of the 20th century's great works of social protest Largely autobiographical *Christ in Concrete* opens with the dramatic Good Friday collapse of a building under construction crucifying in concrete an Italian construction worker whose death leaves his pregnant wife and eight children impoverished His oldest son Paul at just twelve years old must take over his father's role and his job Paul's odyssey into manhood begins on the high girders where death is an occupational hazard and a boy's dreams are the first fatality Written in sonorous prose that recalls the speaker's Italian origins Pietro di Donato's *Christ in Concrete* is at once a powerful social document and a deeply moving story about the American immigrant experience

*Discipleship and Unity* Cole Jodon, 2022-06-01 Discipleship and Unity Bonhoeffer's Ecumenical Theology presents a fresh approach to church unity and discipleship from a familiar voice Building constructively from the thought of Dietrich Bonhoeffer Cole Jodon offers an account of ecumenism in which the church is understood to be united as the person of Christ a unity that is concrete today through active obedient discipleship To develop this theology Jodon draws from Bonhoeffer's ecumenical engagement which is deepened through the theology of Bonhoeffer's wider corpus Jodon illumines Bonhoeffer's dynamic understanding of the church its unity and the manner in which that unity is made concrete in the world At its heart this book serves to advance an ecumenical theology enlivened by the living and present Christ who calls his church to follow after him together
